

## ***Bill in Equity for Specific Performance of a Contract***

Solely for the purposes of this Bill only, under, and out of, the authority of Absolute Necessity, I will hypothetically assert and aver that I am a Lawful Citizen for the United States of America, and not an enemy thereof; Further, I claim, accept, acknowledge, declare, possess and utilize unalienable Creator granted rights, privileges, freedoms and immunities at all places and all times within Creation, without limitation;

Further, I assert and aver that I accept, claim and acknowledge the **Constitution of West Virginia** and the **Constitution for the United States of America 1819**, for my benefit, use and enjoyment;

Further, I assert, declare and aver that I am the Real- Party-in-Interest, Holder-in-due-course, Secured Party, Grantor, Bailor, Administrator, Creditor, Custodian, Beneficiary to, and for, any and all alleged, political and other powers administrated by legitimate and lawful governments constructed and effectuated by real-men including, but not limited to, services and goods providers in the nature of government, trusts, systems, networks, regimes, hierarchies and any and all other limits of any nature, kind and construction;

I hereby knowingly, willingly and intelligently cancel and correct all presumptions and assumptions to the contrary;

Further, as a purported Citizen for the United States of America, and not an enemy thereof, I assert, declare, and aver that I am a party to both the **Constitution of West Virginia** and the **Constitution for the United States of America 1819**, and therefore have, proper standing, status, character, condition and capacity to give out this Bill for Specific Performance of a Contract; Furthermore, as a party with proper standing, status, character, condition and capacity I can, and do hereby, assert, aver, claim, accept, acknowledge and enforce my contractual claim and right to the protection and enforcement of strict compliance and performance to the same, without further hinder or delay;

The defendants have agreed to, accepted and acknowledged the Original Contracts as passed and enacted by the People, by, under and pursuant to the intent of the People, by, under and pursuant to the Oaths taken and subscribed by the defendants;

At the time of Conquest and thereafter, any laws in force, affect and effect stay in place with full force, affect and effect until such time as the new authority repeals or alters the same;

This Specific Bill in Equity has never been repealed or altered to this day;

If this purported government, the STATE OF WEST VIRGINIA and THE UNITED STATES OF AMERICA, exists and operates, as a mere fiction of law, by, under and pursuant to the **Constitution of West Virginia** and the **Constitution for the United States of America circa 1819**,

then the same must absolutely comply to the explicit and limited written directives and authorities contained therein;

Any action or inaction outside the explicitly written limits of the Original Contracts would be ultra vires, thereby voiding and forfeiting, by an operation of law, the very same Contracts aka Constitutions, and the ability to maintain, enforce and/or claim certain standings, status, characters, conditions, capacities, authorities, jurisdictions, venues, law forms and/or existence in law, at law and otherwise;

Because of the foregoing and that hereafter, I seek immediate implementation and effectuation of the Bill in Equity for Specific Performance of a Contract;

There exists in the aforementioned Original Contracts no provision (s) and/or clause (s) for any real-man or fiction of law, allegedly formed by and/or operating under the same, to deviate from or vitate any of the same;

In fact, **Article VI of the Constitution for the United States of America circa 1819** outlines and authorizes the specific and explicit terms for any and all public servants and/or public trustees , quite clearly and succinctly , in order to maintain and enforce their very limited scope of authorities and/or procedures;

Nowhere within the Original Contract do the COUNTY OF \_\_\_\_\_, STATE OF WEST VIRGINIA and/or THE UNITED STATES OF AMERICA possess the contractual right, privilege, standing, status, capacity, character, condition and/or authority to be the purported injured and/or moving party and/or to seek remedy and relief at any time and/or any place;

**Article III Section 2 of the Constitution for the United States of America c1819**, specifically and explicitly states and commands the following, to wit:

**“In all cases...and those in which the State shall be a party, the Supreme Court shall have Original Jurisdiction.”**

Further, **Article VI of the same** specifically and explicitly states and commands the following, to wit:

**“This Constitution and the laws of the United States which shall be made in Pursuance Thereof...shall be the Supreme Law of this Land, and the judges in every State shall be bound thereby...and all executive and judicial officers, both of the United States and of the several States, shall be bound by the Oath or Affirmation to support this Constitution.”**

Furthermore, Article I Section 3 of the Constitution of West Virginia specifically and explicitly states and commands the following, to wit:

**“Continuity of Constitutional operations ; -The Provisions of the Constitution of the United States, and of this State are operative alike in a period of war as in time of peace, and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government, and tends to anarchy and despotism.”**

There is absolutely no authority contained within and/or authorized by, the Original Contracts for the effectuating, implementation, exercise, enforcement and/or utilization of inherent or implied powers, authorities, jurisdictions, venues and/or law forms, regardless of whether they infringe or violate the Original Contracts or not;

Any alleged real-man injured party, in law/and or Equity, has every right and authority to seek any and all claims, remedies and/or reliefs, civil and/or criminal, against myself, but the STATE OF WEST VIRGINIA and/or THE UNITED STATES OF AMERICA do not possess the Original Contracts authority for the same;

Further, there exists no absolute and explicit Original Contracts authority for the implementation, exercise and/or enforcement of malum prohibitum authority, jurisdiction and/or venue against a Citizen for the United States of America;

Further, the alleged COURT and PROSECUTOR have failed to prove and/or acquire Original Contracts compliant jurisdiction and venue applicability and attachment;

Furthermore, the alleged COURT and PROSECUTOR have failed to prove Original Contracts compliant law form applicability and attachment;

Both of the aforementioned by and through first-hand fact evidence;

Irreparable harm and injury is being caused by the defendants every single day that I am unlawfully detained and confined, in absolute violation of the Original Contracts, in private for profit, corporate, military facilities.
