

understand by Divine Authority, under and ①
out of absolute necessity;

Whereas, I, Thomas David House of Seegon, personally noticed
the Pope, select administrators of his and all of the Almighty
Author's Creation in the years of my Lord two thousand
thirteen and fourteen of my claiming, accepting,
acknowledging and confirming of full and unfettered
control of my physical body, spirit and soul, as well
as the managing and disposing of my daily affairs by
papermailing and Creation-wide posting at public notice
420.blogspot.com. these same noticed entities, real
men and their agents, assigns, successors and principals
are all at present in permanent default and dishonor
in Law, at Law and otherwise. But as Christ did,
and does, I am offering full forgiveness, settlement
and closure to all of the aforementioned for the
required, necessary, equitable and ecclesiastical relief,
remedy, forgiveness, settlement and closure so prayed for
below. I have already raised numerous points and issues
with the Pope's agents and administrators, also known as
purported government officials, employees, agents etcetera of
any and all local, "STATE OF", state of, national and
international purported governments, all to complete
silence and the furthering of their self-confessed crimes
and egregious violations of the Almighty Author's laws.
All public filings by Thomas David House of Seegon
are restated in their entirety, and incorporated herein,
as is set forth in full.

All attached documents are restated in their entirety, and
incorporated herein, as is set forth in full.

Therefore, I, Thomas David House of Deegan, Administrator, General Executor, General Custodian, Heir of the Almighty Author of All, Equal Beneficiary of the Creation, do by These Presents, under full liability and complete transparency, pray for the relief, remedy, settlement, closure and forgiveness so set forth below;

I, Thomas David House of Deegan, come to this Metropolitane, an agent for the Pope, the purported Global Estate trustee, who has claimed and utilized that capacity and status knowingly, willingly and intelligently by and through his own actions and statements, for the post settlement and closure of all purported accounts, escrows, contracts, agreements, "charges", commercial dealings, et cetera, maintained and/or claimed by creatures of the mind, under the control and authority of the Roman Curia Law form, jurisdiction and venue, which created the same and is liable for the harm caused to the Author's Heirs. Forgiveness and settlement is always granted to His Heirs ^{when they} acknowledge their actions, faults and dishonors and further accepts Christ's Sacrifice, and at that point All is forgiven. As such, the Pope, his agents and administrators, et cetera, are now required, by not only the Author, but trust law as well, to immediately effectuate the post settlement and closure of the aforementioned without limitation; to release Thomas David House of Deegan from the wrongfully presumed status and capacity of surety, trustee, acceptor and/or any other term of art being utilized to perpetuate violations of the Author's Laws,

and those made by men in pursuance of, all to my detriment and irreparable injury; and further, to effectuate the immediate and unconditional release of Thomas David House of Deegan's physical flesh and blood body from unlawful confinement, custody and control by entities under the Pope's control and authority; and furthermore, to effectuate the immediate return of any and all properties of Thomas David House of Deegan stolen and seized by the alleged WJ STATE POLICE unlawfully on the twenty third and/or twenty fourth day of September, in the Year of my Lord two thousand fifteen;

In exchange for the aforementioned I shall immediately and unconditionally offer full forgiveness to all parties who may have been involved in any way, shape or form for any and all transgressions and injuries.

A reasonable (48) forty eight hours is granted for the aforementioned actions to be DONE.

Principles and Authorities

When the ordinary ceases, the extraordinary must be invoked. Expect from others the same treatment that they receive from you. Equity desires the spoiled, the deceived, the ruined, above all things to have restitution. What is just and right is the law of laws. The law never permits anything contrary to truth. Delays in law are odious. Deceit and fraud should always be remedied. Facts are more powerful than words. Justice is an excellent virtue, and pleasing to the most high. The law of God and law of the land are all one. Laws imposed by the state failing, we must act by the law of nature. Liberty is more favored than all things.

Anaxim is so called because its dignity is chiefest, and its authority
 the most certain, and because its universally approved by all.
 Many things pertain ~~not~~ to human laws, but to divine jurisdiction.
 No one may be dragged from his own house. No man warring for
 god should be troubled by secular business. No one can do by
 another what he cannot do by himself. Nothing is so consonant
 to natural equity, as that the same thing be dissolved by
 the same means by which it was bound. It matters not if a
 revocation is made by word or deed. There is no loss without a
 remedy. All men are either freemen or slaves. All things are
 to be presumed against a wrongdoer. Once a fraud always a
 fraud. He who does not prevent what he can prevent, is
 considered as doing the thing. He who is silent appears to
 consent. Time cannot render valid an act void in its origin.
 What is mine cannot be taken away without my consent. We must
 have recourse to what is extraordinary when the ordinary fails.
 When the ordinary remedy ceases to be of service, recourse must
 be had to an extraordinary one. Plaintiffs need not to
 be proved. The law serves the vigilant, and not those who sleep.
 The voice of the People is the voice of God.
