I, , the Signatory and Plaintiff, do by these Presents, under full liability and complete transparency, aver, attest, affirm, declare and testify to the accuracy and truthfulness of the following various letter combinations, to wit:

How is it that defaulted and dishonored criminals purporting to be government use funds extracted through violence and fraud from real-men with hands and legs in furtherance of their criminality? This fraudulent request is hereby DENIED and REFUSED for Cause, Without Dishonor as we do not interface with fictions of law, creatures of the mind who many view as criminals and traitors. Further, you have addressed us as fictions! Despite the psyops and chemical attacks on our bodies, we were and are living, real-men with hands and legs. Plaintiffs, Phil and Gene, **are not Pro Se!** Had you taken the time to read our documents, you would be aware of this.

Further admissions of multiple corporate, and therefore, fictions of law and creatures of the mind status and capacities is much appreciated. We are witnessing more evidence of fraud perpetrated daily upon the good men and women who deserve much better.

Public File

The second rule of the corporate WEST VIRGINIA RULES OF APPELLATE PROCEDURE states all other rules are suspended out of necessity. Considering the gravity of this situation, Rule 37 is suspended. Further, the rules would only be valid if promulgated and enacted in absolute accordance and complete compliance with the Original Contracts. Since there is no authority contained in either Original Contract to be corporate, creatures of the mind and fictions, not to mention morphing from one capacity to another or even multiple statuses, these are null and void ab initio. Furthermore, the purported COURT is in default and dishonor in regards to TRIAL COURT RULE 16.12. Obviously, the rules are not in effect and affect in their view. Take it up with them, ex-parte if you wish, which is common practice in the STATE OF WEST VIRGINIA.

I cannot recognize a foreign agent attorney as no foreign agent registration, nor power of attorney, has been produced on and for the Public Record. I have no clue who you are or who you claim to be. Please produce and provide evidence of the same. Absent that, do not contact me further. Consider this Presents a CEASE AND DESIST DEMAND AND ORDER for yourself, DANIEL W. GREER a.k.a. Daniel W. Greear. How can you purport to be the ATTORNEY and CHIEF OF STAFF, yet have fail in producing and providing evidence of the same? Does this mean the real-men with hands and legs are being double billed for your activity? I surely hope not as the service you purport to provide does the real-men with hands and legs no real service nor provides anything of real value.

If STEVE HARRISON a.k.a. Steve Harrison is operating the business of the VIRGINIA WEST LEGISLATURE a.k.a. WEST VIRGINIA LEGISLASTURE from his home as the address indicates, that is his problem. The documents have been and will continue to be mailed there regardless of what you or any other fiction of law request. If you or he wish them to be mailed to the location in which the State of "West Virginia" Legislature works, please provide evidence it exists in that status and capacity and further provide evidence that the corporation, creature of the mind and fiction of law STEVEN HARRISON a.k.a. Steven Harrison has registered to his home is dissolved. Otherwise, let's stop wasting time and the money of the good men and women of this state.

Thank you for your concern, but as a real -man with hands and legs I can handle my own affairs and choose not to operate in a Bizzaro World.

Any omission does not constitute a waiver.

All words, letter combinations and intent shall be as defined, construed and interpreted by the Signatory/Plaintiff.
