Facts and self-evident truths

Each real man has a natural right, from the Creator,
 to defend his person, his liberty, his property, his neighbors,
 and his community from all criminals regardless of
 what suit, uniform or shiny metal they may hide behind.

It is not true that the legislator, or any other person, has
 absolute power over our persons and property; the existence
 of real men and their property preceded the existence
 certified (DAD) Bill, complaint

of the legislator, and other power hungry individuals, and their functions are only to guarantee the safety of the aforementioned.

Liberty is an acknowledgment of faith in the Creator and His works.

Government cannot exercise or obtain more authority than those that originally formed it and it cannot do anything absent a lawful contract with a real man individually.

A Realman is not, and cannot, be bound by what others around him may decide to form without his consent, acceptance and acknowledgment.

Authorities and Principles

Absolute power in all things lawful;

External actions show the secret intentions;

An action is the right of prosecuting to judgment that which is one's due;

Acts indicate the intention;

An act done without my consent is not my act;

An admiralty court has no jurisdiction over those questions which are determined by the common law;

Natural reason allows one to defend himself against danger;

Equity acts upon the person;

Equity supplies defects;

Equity remedies errors;

Equity is the correction of law, when too general, in the part in which it is defective

Equity is a kind of perfect reason which interprets and amends the written law, comprehended in no code but consistent with reason alone.
 Jurisdiction is not conbanded by equity;
 Equity does not regard the form and circumstance, but rather the substance of ~~the~~ act;
 Equity desires by all means to arrive at the truth;
 Equity desires ~~the~~ spoiled, the deceived and the ruined, above all things, to have restitution;
 What is just and right is the law of laws;

Jurisdiction and Venue

As this purported CIRCUIT COURT COUNTY OF WOOD is part of a federal, commercial, military and corporate system it has full authority and jurisdiction over the alleged STATE OF WEST VIRGINIA and the alleged THE UNITED STATES OF AMERICA, all derivatives and appellations thereof, all creations and liabilities thereof, and the principals, agents, assigns and successors thereof, all private for profit contractors providing quasi-governmental services purporting to be lawful government, now permanently defaulted and dishonored; therefore jurisdiction is proper, proven and present, and is hereby invoked and demanded to be exercised fully and unconditionally; I, Thomas David House of Deegan, am not under the authority and/or jurisdiction of the aforementioned fictions of law, but shall utilize their alleged system against itself, under, and out of, absolute necessity;

I, Thomas David House of Deegan, under full liability and complete transparency, do by these Presents Testify, Declare, Proclaim and Publish the following, to wit:

On the twenty second day of May, in the Year of my Lord two thousand fifteen, I, Thomas David House of Deegan, did file suit to, among other things, test the status, standing, capacity, jurisdiction, venue and law form of the creature of the mind STATE OF WEST VIRGINIA, all derivatives and appellations thereof, its creations and liabilities, and the principals, agents, assigns and successors thereof; On the fourth day of September, in the Year of my Lord two thousand fifteen, I, Thomas David House of Deegan, did file an amendment to the same suit after more and extensive research had been performed and more damning evidence discovered; On the twenty third day of September, in the Year of my Lord two thousand fifteen, I, Thomas David House of Deegan, as now formally recognized by the now defaulted and dishonored WEST VIRGINIA SUPREME COURT OF APPEALS, was kidnapped again by foreign agents claiming to be WEST VIRGINIA STATE POLICE, a foreign entity also defaulted and dishonored by that date, without Lawful Warrant for either myself as the Trinity of mind, body and soul and the Heir of the Creator and the theft and destruction of my personal property; After seeing the purported warrant for myself I realized immediately it was with fault, defect and null and void ab initio, See attached copies thereof with the fault and defects

and see abatement, already incorporated herein, as if set forth in full; I was then brought before foreign agent Robin Waters, trustee, to which I repeatedly stated quite clearly that I was the executor of the trust named on the commercial charges, and that I did not understand the corporate, commercial military paperwork that she continuously belligerently demanded that I sign; further, I repeatedly stated that I was not the entity therein named, nor the trustee or surety thereof, but that I was in fact and in law the executor, administrator and beneficiary thereof only and exclusively; I was then renditioned to a military prison a.k.a. NORTH CENTRAL REGIONAL JAIL, where I further would not sign agreements with this foreign entity corporate military creature of the mind STATE OF WEST VIRGINIA; On the fifth day of October, in the Year of my Lord two thousand fifteen, I was again, under threat of violence, taken to see foreign agent Robin Waters, trustee, at her private corporate military business location; I further and repeatedly stated I do not understand nor do I accept her corporate, commercial and military paperwork and purported court; I also asserted my right to my own choice of assistance of counsel, someone not beholden to the alleged plaintiff; I also again stated I was Executor in fact and Beneficiary in fact and that she was trustee and to handle the accounting; On the fifteenth day of October in the year of my Lord two thousand fifteen I served

 On or about the eleventh day of November, in the

 again, without notice, in violation of their own rules as
 per usual procedure in COUNTY OF WAD, and once again
 they attempted, via foreign agent Jeffrey Reed, trustee, to
