1. the following matters set forth in the Abatement from October, in the Year of our Lord Jesus Christ two thousand fifteen, are now set forth again, the Abatement being a matter of right, not discretion, already has been ordered and adjudged by the silence of the alleged creature of the mind, fiction of law defaulted and dishonored STATE OF WEST VIRGINIA; as such any and all actions thereafter are deemed null and void and it is a further violation of the Original Contract clause of due process, especially in light of the fact the alleged judge is paid by the alleged plaintiff pursuant to alleged WVCODE 51-2-13; for space and time I shall only state the reason and not the supporting info but the supporting info is hereby restated in its entirety, as if set forth in full, and incorporated herein, to wit:

1. misnomer and/or mis-identification
2. use of expired alleged identifying numbers
3. wrong address
4. failure to prove jurisdiction
5. no raised seal
6. no address on alleged search warrant
7. Lack of properly identified victim(s) and swearing of a complaint
8. Lack of contractual nexus
9. Lack of standing and capacity in law, at law and otherwise
10. no consent, under standing or acceptance

Any omission of any reason for the abatement, already in force, affect and effect, is not a waiver thereof. I have clearly shown that any movement forward on either alleged Case #'s 11-F-101, 16-F-25, 15-B-328, 15-MS4F-00463 in

TSDH certified Dismiss

Any way, shape or form is outright fraud and fraud vitiates all. Both and all alleged matters are now declared to be null and void ab initio in perpetuity; any alleged ruling, order, decree or judgment otherwise is simply trying to sustain the fraud, a crime in itself, all in absolute contempt and violation of the Original Contracts aka treason, sedition, insurrection at minimum, forgiveness is offered at this point.

2. Thomas David Deegan is the entity referred to on the alleged motion to revoke;
 THOMAS DEEGAN is the entity referred to on the alleged ORDER adjudging guilt on April 27, 2015, which is not valid as it contains no court seal;
 THOMAS DAVID DEEGAN is the entity referred to on the refused for cause w/o dishonor alleged commercial indictment;
 THOMAS DEEGAN is the entity referred to on the alleged motion to reinstate bond and home confinement order on Dec. 18, 2014, which is not actually valid because of no court seal,
 Alleged case # 11-F-101 is not valid as there was no warrant to enter the home and kidnap myself and search it before both of the aforesaid were done.
 All of these entities are the same or is there some major fraud ongoing? Regardless my name is Thomas David Deegan, recognized creation-wide in September 2013, before that I was Thomas-David: Deegan. All fraud. All abated already.

3. Thomas David Deegan is on the abated arrest warrant but once again that is not me. The wrong and invalid address is listed, and Home confinement on their paperwork
 TD/HD Certified Dismissal

said to put that because I could not afford to change the numbers on the place I lease. An envelope mailed to 85 Locust Drive is in evidence showing it is not valid. A non-existent alleged corporate WV CODE is listed; there are 3 different entities listed, WEST VIRGINIA, State of West Virginia, WV, which is it? violation of 15-2-12(d)-official title on returns shall be Member of the West Virginia State Police - this was not done. Zipcode designates federal territory but the alleged WEST VIRGINIA, State of West Virginia, WV, ~~are~~^{are} the ones moving? The warrant for arrest filed in alleged Court is not signed as executed, all of these separately and together invalidate the warrant for arrest and all emanating therefrom, including but not limited to, the complaint, the alleged motion to revoke, the alleged commercial indictment already refused for cause w/o dishonor. All of the aforementioned are once again in absolute defiance and contempt of the Original Contract c1819. forgiveness is offered again.

4. The purported complaint filed by Kevin Williams was perjured as none of the outlandish and slanderous statements he swore to being on an alleged call were there according to the defaceted and dishonored creature of the mind STATE OF WEST Virginia's own transcription of the scene; further the alleged transcript was not signed by a real man, not sworn to as true, correct and complete and all of his alleged testimony was mere hearsay at best; He perjures himself and gets paid, I do nothing wrong and sit it military certified ~~to~~ dismissal

jail. Once again in absolute defiance and contempt of the Original Contract. Further I have no copy of the copy of a purported call to even attempt to verify the accuracy of any alleged transcription. The alleged STATE OF WEST VIRGINIA has offered no first-hand fact evidence of the recording as being an untampered original, nor an audio expert to testify I am on the untampered original; without the transcriptionist, and audio experts themselves testifying, the alleged STATE has nothing. Once again in absolute defiance of due process.

5. The transcripts of illegally seized (Amendment 4 violation) "jail calls" to assistance of counsel Leonard Harview, Phillip Hudok, Darlene Berger, Alicia Lutz-Rolow are not permitted as they are privileged, but in some imaginary land where they were permitted to used as "evidence" the person transcribing should be identified, should be sworn as true, correct and complete under some form of liability and testified to by the transcriptionist, otherwise it is mere hearsay, all again in absolute defiance and contempt of the Original Contract. Further, I never signed the paper authorizing the jail (military) to intercept and recording calls.

6. According to the alleged WEST VIRGINIA RULES OF CRIMINAL PROCEDURE 32 all hearings for Revocation shall be prompt; first notice not till mid November, not prompt; no preliminary conducted; TDDH certified DISMISS

final hearing Jan 26 but STATE failed to disclose in time so Feb 19th 2016 is the revocation hearing. Sept 23 - Feb 19 is by no means, way, shape or form prompt nor timely.

7. Mark Jarrett has never met nor talked with me and I haven't seen any evidence he personally has first hand fact knowledge of anything. It would appear he is going to do a Kevin Williams and just make things up. All in violation of Original Contract due process and probable criminal action on part of the alleged prosecutor. forgiveness is once again offered.

8. If the creature of the mind, fiction of law defaulted and dishonored STATE OF WEST VIRGINIA wants any witnesses referred to in exhibits then it should have specifically listed them. I gave the alleged STATE full notice of my subpoena demands.

9. Post Office says 85 Louist Drive does not exist. see mailing filed into alleged case files, which makes the complaint, warrants and all emanating therefrom null and void. Also Amendment 4 Original Contract violation.

10. The alleged and defaulted and dishonored WEST VIRGINIA SUPREME COURT OF APPEALS has recognized my proper name and address as Thomas David House of Deagan 317 Louist Drive. see the recognition filed into alleged case files.

11. My expatriation w/notice was given in September in the Year of my Lord Jesus Christ two thousand thirteen,

48AD certified Dismissal

Several felony kidnappings occurred after that by foreign agent mercenaries aka COUNTY OF WOOD SHERIFFS DEPT and WEST VIRGINIA STATE POLICE, with unlawful military imprisonment ensuing thereafter, all on faulty and fraudulent paperwork. More Original Contract due process violations.

12. alleged photo of sign not sworn as true correct and complete by person taking the same, regardless I did not agree to those terms by signing any alleged booking paperwork to a military jail aka NORTH CENTRAL REGIONAL JAIL.

13. A military tribunal for a non-combatant is unlawful per the Original Contract; Notice of code, case law, regulations confirming the use of a yellow fringe flag denotes military tribunal has been already submitted; Since the alleged statutory court of record, alleged CIRCUIT COURT flies that flag it is military, since the jail takes its orders from a purported military tribunal it must be military as well. Military is subordinate to Civil under the Original Contract.

any omission of any defect, flaw, argument ~~thereof~~ is not a waiver thereof;

Reserving all filings, documents, arguments, defenses, truths, facts, stipulations, agreements, defects, flaws by and of and for Thomas David House of Deegan.

All documents by Thomas David House of Deegan previously, filed, are hereby restated in their entirety, and incorporated

All filings of the case # 15-0691 in the now defaulted and dishonored corporate, commercial, military structure WUSCOA is hereby restated in its entirety, and incorporated herein as I set forth in full.

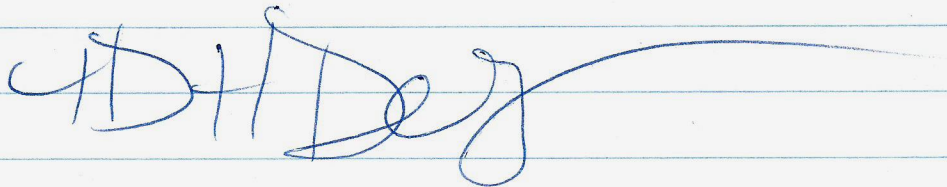

Furthermore, all paperwork has been abated, refused for cause w/o dishonor and all facets of jurisdiction, in personam, subject matter, territorial and political have not been proven by first hand facts nor has venue and law form applicability been proven by first hand facts.

A person may use as many defenses and arguments as possible, check submitted principles and authorities. Any omission is not a waiver.

Notice of Conflict of Jurisdiction, venue and Law form to be placed into alleged case #'s 11-F-101, 15-M54F-00463, 15-B-328 and 16-F-25, all within a defaulted and dishonored commercial, corporate military system; Filed into Original Jurisdiction, Original venue and Original Law Form, under the laws of the Land aka God's Law pursuant to Ezekiel 44:24, Acts 25 and St. Luke 16:13, not a Statutory court of record.

Thomas David House of Deegan, defendant in error, trustee in error, surety in error, acceptor in error, et cetera, kidnapper in fact, Administrator in fact, Executor in fact, Custodian in fact, Beneficiary in fact, Heir of the Creator, by Divine Visitation under Divine Authority, under, and out of, necessity, only participating by and under threats of violence and death, duress and coercion, not submitting to, granting, consenting and/or accepting the inferior and alleged statutory court of Record of limited jurisdiction's nor the alleged CIRCUIT COURT'S jurisdiction, venue and law form, Notices the creature of the mind, fiction of law defaulted and dishonored STATE OF WEST VIRGINIA, all derivatives and appellations thereof, all creations and liabilities thereof, all agents, assigns, successors and principals thereof, of an absolute Conflict of Jurisdiction, venue and Law form between myself, a real-man, trinity of mind, body and soul, and the aforementioned fictional entity.

a fictional entity, creature of the mind cannot, and is foreclosed from, reaching parity with a real man so if it is inferior it could never have jurisdiction aka authority over me absent my free will choice to lower my standing and capacity via contract with it. I have no lawful contract with the creature of the mind, fiction of

law, defaulted and dishonored STATE OF WEST VIRGINIA, all derivatives and appellations thereof, all creations and liabilities thereof, all agents, assigns, successors and principals thereof. Remember to be lawful contract full disclosure must be given, both receive something of value and one party must not hold unlawful imprisonment and unlawful tricks aka duress, coercion and threats. Furthermore any alleged contract I entered into would be necessarily void because of a lack of lawful beginning aka kidnapping and rendition with no lawful warrant beforehand and a search absent warrant of my leased domicile of freewill choice. Jurisdiction is absent over me.

The venue is an artificial, imaginary one enforced at the barrel of a gun. a real-man cannot be in a fiction of law, it is of course fiction as the name says. The STATE OF WEST VIRGINIA is not geographic as it did not "exist" before 1863 so it is of course a body politic, a creature of the mind. I have no contract with the aforementioned body politic wherein I would be considered as living "inside" of it or any of its creations and liabilities.

The Law form I adhere to is the law of the land aka God's law. Your legal system is a direct abomination and completely opposite thereof. Once again some sort of contract would need to be in place lawfully for a creature of the mind's law form to be applicable to a real-man. I once again deny there is one in

place. Your law form is "specialty admiralty and executive chancery." Mine is cause no harm to others or their property. You can make anything legal or outlaw anything on a whim. All men are either freeman or slave. I choose the former. Further, according to my spiritual beliefs I cannot serve two masters. My master is the Creator and Author of ALL, yours is the international moneychangers and lawyers. Your law form is inferior to mine, as such, unless I face my accusers) and ~~as~~ real-man is harmed in some way, shape or form, my Law form overrides yours. Furthermore, you have shown yourself to be in absolute violation and contempt of the Original Contract which gives you limited authority to exist.

Notice and Declaration of ~~conflict~~ of jurisdiction, venue and law form; Notice and Declaration of Refusal for Cause, w/o Dishonor; Notice and Declaration of non-response by the defaulted and Dishonored STATE OF WEST VIRGINIA; on the twelfth day of February, in the Year of our Lord Jesus Christ two thousand sixteen.

to be placed into purported case #s 11-F-101, 15-MS4F-00463, 15-B-32, 8, and 16-F-25, all within a defaulted and dishonored commercial, corporate, military system; Filed into Original Jurisdiction, Original Venue, Original Law form, under the Law of the Land aka God's Law pursuant to Romans 8:16, 17 and 13:8, 9, 10, Acts 5:27 and 28, Ezekiel 44:24 and St Luke 5:29 and 13:16, not an alleged statutory court of record of limited jurisdiction, nor an alleged CIRCUIT COURT.

Thomas David House of Deegan, defendant in error, trustee in error, Surety in error, acceptor in error, et cetera, kidnapper in fact, Administrator in fact, Executor in fact, Custodian in fact, Beneficiary in fact, Heir of the Creator by Divine Visitation under Divine Authority at all places and all times past, present and future, under, and out of, necessity, only participating by, and under, threats of violence and death, unlawful military imprisonment, duress and coercion, not submitting to, granting, consenting and/or accepting the inferior, alleged statutory court of record of limited jurisdiction's, nor the inferior, alleged CIRCUIT COURT's jurisdiction, venue and law form, does hereby restate any and all previous documents, whether filed and unlawfully removed or not, in their entirety, and incorporated herein, as if set forth in full as an integral part of the Creation-Wide Public Record; Thomas David House of Deegan, does further restate any TDHD certified Conflict

and all documents of case # 15-0481 in their entirety, and incorporated herein, as is set forth in full as an integral part of the Creation-Wide Public Record.

Thomas David House of Deegan, does by these Presents give Notice and Declaration of Conflict of jurisdiction, venue and law form. The inferior jurisdiction utilized by the defaulted and dishonored creature of the mind STATE OF WEST VIRGINIA requires the consent of both sides and/or a Lawful contract in place, specific performance in nature, as a creature of the mind, fiction of law cannot reach parity with a real-man Living Soul, a trinity of mind, body and soul, created in the image of my Heavenly Father. Further, its venue, or location, is also a fiction of law, political in nature not geographic; It is an impossibility ^{DHP} for a real-man to have a physical presence in that which does not exist. The Law form is in direct opposition to mine as mine requires the actual victim, a real-man injured party to come forward, and mine is only applicable via freewill choice submission to it, whereas the defaulted and dishonored, creature of the mind, fiction of law STATE OF WEST VIRGINIA allows any fiction to be "injured" without actual injury. A fiction does not actually exist so it cannot be factually injured. Further, their laws pervert justice and in no way, shape or form seek actual justice, relief and remedy. I consent to nothing by, of or from the defaulted and dishonored, creature of the mind STATE OF WEST VIRGINIA and neither does it and I have a lawful contract/agreement between us.

I, Thomas David House of Deegan, do by these Presents, give notice and Declaration of my God-given right to
TDHD certified conflict

Refuse and Reject unlawful and unfounded advances, so I
 hereby Refuse for cause, w/o dishonor, any and all letters, documents,
 papers, writs, complaints, warrants, indictments, orders, decrees, judgments,

 successor and/or principal of the defaulted and dishonored,
 Creature of the mind, fiction of Law STATE OF WEST
 VIRGINIA, including but not limited to, a statutory court
 of record of limited jurisdiction and CIRCUIT COURT,
 as those creatures of the mind are not real, only figments
 of some men's imaginations. Absent a contract there is no
 authority of the aforementioned to do anything Lawfully.
 Furthermore, I, Thomas David House of Deegan, do hereby
 give Notice and Declaration of the fact that the
 defaulted and Dishonored, Creature of the mind, fiction of
 Law STATE OF WEST VIRGINIA, all derivatives and
 appellations thereof, all creations and liabilities thereof,
 all agents, assigns, principals, successors thereof, have completely
 and absolutely failed to answer and/or rebut any papers,
