Re: State of West Virginia v. Thomas David Deegan, Case No. 11-F-101
State of West Virginia v. Thomas David Deegan, Case No. 16-F-25

Counsel and Mr. Deegan:

Upon further reflection after the hearing on Friday, February 19, 2016, there are two things that I would like to bring to your attention from a procedural standpoint.

The first is that since there are a number of pending motions, a hearing to address these motions should be held before the trial date. This should streamline the trial and also let both sides be aware of what evidence and issues are admissible and what ones are not. Therefore, a hearing will be held on Tuesday, March 1, 2016, at 9:45 a.m. at which time all pretrial motions will be addressed, and hopefully ruled upon.

The second issue is that since the only basis to revoke the defendant's home confinement is the commission of the crime for which the defendant has been indicted, I propose that we not have the hearing on the Motion to Revoke Home Confinement on Tuesday, March 15, 2016, and simply have the trial in case 16-F-25. If there is additional

evidence that needs presented on the Motion to Revoke Home Confinement that would not otherwise be admissible in the trial of the underlying criminal charge (such as that the defendant was on home confinement, etc.), this evidence can be presented while the jury deliberates. Since I am not aware of strategies as to the pending trial and pending motion, please provide any objections to this procedure on or before Monday, February 29, 2016.

Thank you for your time and attention to this matter.

Sincerely,

Jeffrey B. Reed

I, Thomas David House of Deegan, do by these Presents, Refuse for Cause, w/o dishonor the letter dated February 22, 2016 for the reasons set forth below, to wit:

Any omission is not a waiver. It has a purported SEAL of the "STATE OF WEST VIRGINIA", yet below it is State of West Virginia, and the Congress authorized West Virginia to enter the Union, see Act of Congress and Original Contract; Are you attempting to override the alleged authority of CONGRESS? Below that, there is WOOD COUNTY aka COUNTY OF WOOD, which was never authorized by the alleged Legislature, Wood County was. Are you attempting to override alleged legislative authority? Beside that is an all caps name with all caps JUDGE.

According to the Government Printing Manual the use of all caps denotes a dead man, corporation, association and/or the like. What is going on here? I am confused and fail to understand at all. There is Thomas David Deegan, not my name, but regardless that is not the name on any alleged "COURT" paperwork I possess, excepting an abated, fraudulent and void "warrant." All the paperwork submitted by the alleged "STATE" has THOMAS DEEGAN, including but not limited to, alleged 11-f-101 and alleged

TDHD certified Refusal J.

Commercial indictment 16-F-25, see CFR 72.11. Once again I fail to understand what is going except for that there appears to be fraud and some sort of commercial scheme involving my Cestui Que Vie trust. Next we have an ESQUIRE, a title of nobility, not permitted by the actual thirteenth Amendment, c 1819, to the Constitution for the United States of America. Is this an admission to Reed aka REED violating his alleged Constitutional Oath of office, still not placed upon the alleged "COURT" record nor is there a bond present either? What is this lawlessness? Further, I, a real man Thomas David House of Deegan, have repeatedly put on paper, I have no contractual nexus with, nor any relationship with, a foreign agent BAR member, see Rabinowitz v Kennedy, Affidavit of Constructive Fraud and Notices; Next we have the captions of 2 alleged criminal, yet factually Commercial, yet those state State of West Virginia v Thomas David Deegan and once again those do not match any alleged "COURT" paperwork I have which all have "STATE OF WEST VIRGINIA" and THOMAS DEEGAN. If you are presenting truth & facts it is easy to remember, not so, as is apparent here, if you are trying to utilize fraud and various commercial schemes. Once again I have no understanding. There are in fact numerous Demands, not motions, as motions would be accepting and acknowledging authority and jurisdiction which has not been proven to exist, by the alleged adversarial party nor the alleged "COURT" with, and by, first-hand fact evidence and first-hand fact competent witnesses. Juries, if in fact this was a Court of and in Law, not a mere trustee court or TDDO certified Refusal J.

Admiralty/military COURT, decides, facts, laws, issues, evidence, et cetera. Is your statement an admission of tampering with Judicial Process and/or Due Process of Law and/or Jury Tampering? I once again do not understand. Or is this an admiralty action using a JURIL formere illusionary purposes for public consumption? Or is this a trust matter, CFR 72.11 commercial crimes equals money, a mere trustee hearings to decide trust matters? As the alleged JUDGE has already shown himself to have violated his alleged Oath of Office and Oath to the Original Contract, as has the alleged MAGISTRATE, as has the alleged Boss BEANE, this is Final Notice of Felonies being committed pursuant to a 1790 Act of Congress. I also now give Notice that a forced visit does not allow an alleged "COURT" to garner jurisdiction over a real man, nor can a mere creature of the mind gain parity with the Living. Would all of this be more fraud, coverup and an attempt to have me join the conspiracy being utilized both nation and worldwide? thereby rendering my hands clean and unable to seek remedy and relief in an actual Court in Law somewhere? I am not the defendant, as the defendant is an ens legis, federal corporation, strawman, Cestui Que Vie trust, fiction of law, creature of the mind. It would also appear as you said "commission of the crime" all alleged "matters" have already been decided, further proof this is not Original Contract compliant. All was clearly shown in a trustee hearing, which I was forced to attend for some unknown reason, as demands were dismissed with no challenge by the alleged "STATE", that would not be adversarial.

TNHD certified Refusal J.

50A6

Remember that the treason, sedition and insurrection, Breach of Oath and Breach of Contract was witnessed by many present, only takes 2, and millions more nationwide since then. There is no actual need for anymore "hearings" as was shown on the nineteenth and by your own words in the letter. It would just be another kangaroo/star chamber proceeding. You can unlawfully just go ahead, as you clearly have already and say I'm GUILTY. COUNTY OF WOODS and yourself are operating either a military tribunal as I have already proven in the alleged, now defaulted and dishonored, AUSCOA, see executive order #10834 and 24 F.R. 6865, for your edification which is a clear violation of the Original Contract, or a trustee court, also a clear violation of the Original Contract, Article III "judicial power shall extend to, - to all cases of admiralty...," and "...~~in~~ ⁱⁿ all cases...," and those in which, the State shall be a party, the Supreme Court shall have original Jurisdiction." How can these purported things be heard in an alleged CIRCUIT COURT, when the Original Contract, which is the Supreme Law of the Land, and all public persons must take an Oath thereby, quite clearly gives jurisdiction solely to the Supreme Court in these alleged matters. Notice: Warring with the Constitution is Treason. A true adversarial proceeding would require that the alleged STATE OF WEST VIRGINIA to respond to "motions" and oppose them, otherwise in law it would need to be accepted and granted. more proof this is not Original Contract compliant. You do not need the beneficiary present to conduct trustee hearings. Where is everyone's Public Oath, Bond and Insurance? There is no official raised, BHD certified Refusal To

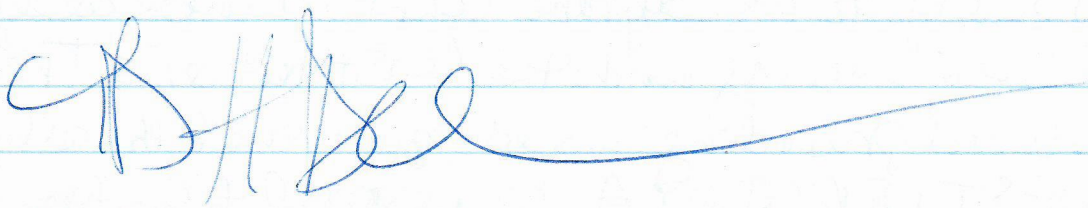

and affixed, Court Seal, so that would further tell me it is not Original Contract Compliant, but merely one that simulates it. No certificate of service was enclosed. All matters have not been joined. I have not put myself upon the "STATE" for trial.

Any omission is not a waiver. enclosed is the federal code you admitted to breaking, so you cannot, nor can the alleged CIRCUIT COURT be Original Contract Compliant, so is this admiralty/military under military rule or a private trustees court? I still do not understand.

Please clarify all for me.

Thomas David House of Deegan does by these Presents, give this Notice and Demand for immediate Recusal and notice and Demand for filing and re-filing of all documents heretofore submitted by Thomas David House of Deegan.

Foreign Agent / trustee Jeffrey B. Reed aka JEFFREY B. REED has allowed and/or committed the following egregious and willful violations of Laws, rules, regulations and of the Original Contract, the Constitution for the United States of America 1789, to wit:

1. claimed his alleged non-compliant "COURT" has jurisdiction to proceed in clear violation of his Oath to defend and uphold the Original Contract, specifically Article III section 2 "In all cases..., and those in which a State shall be Party, the supreme Court shall have original Jurisdiction." and Article VI "This Constitution... shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby," "... and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution." This alone is more than enough for a mere recusal, let alone removal and possible Treason charges.

2. illegally/unlawfully tampering with and removing any/all filings, papers, documents by Administrator Thomas David House of Deegan from alleged commercial case # '15-1-F-10 and 16-F-25

TDHD certified Recusal

- and 15-M54F-00463 and 15-B-328, an apparent violation of 18 USC 2071 and Original Contract due process clause, admitted openly on the twenty-sixth day of January in the Year of my Lord Jesus Christ two thousand sixteen;
3. Has admitted to viewing the alleged case on the news in alleged open "court" on or about the eleventh day of November, in the Year of my Lord Jesus Christ two thousand fifteen; so impartiality would now be questionable, probable due process clause of the Original Contract in affording a fair and impartial hearing;
4. his salary is paid by the alleged PLAINTIFF, see alleged private WV CODE 51-2-13, impartiality and ethical implications, No man can be a judge and a party at the same time. Being paid by the alleged STATE OF WEST VIRGINIA means he is an agent thereof;
5. alleged private, corporate Rule 16 of the WEST VIRGINIA TRIAL COURT RULES, applicable only to the actions of those in the alleged Judicial Branch, if it is truly that, including but not limited to, alleged judges, attorneys, lawyers, et cetera, all pretrial issues shall be heard and ruled upon within 2 months of submission or date of trial, whichever is earlier; I, as administrator and Heir of the Creator, have submitted numerous Law documents, papers since the fifth day of October in the Year of my Lord Jesus Christ two thousand sixteen through this week that have been ignored, never heard via oral hearing with an adversarial party, nor a written finding of fact, nor has the alleged "STATE" even answered or rebutted to afford an opportunity to be lawfully heard;
6. Has repeatedly allowed the alleged STATE OF WEST

- VIRGINIA to act lawlessly and outside of any restrictions such as laws, codes, acts, Original Contract, all while giving them ample time to prepare;
7. Severely limits my Free Speech in alleged "Court" though the Original Contract does not permit such, all in violation of the Free Speech Clause Original Contract;
 8. Has failed to prove jurisdiction, and force the alleged prosecution to do the same, by first-hand facts and first-hand facts competent witness, in violation of Original Contract due process clause;
 9. he prepares and files alleged, secret orders, decrees and judgments, et cetera, without myself receiving a copy of the same, in violation of Original Contract due process clause;
 10. All his alleged papers fail to exhibit a seal of a lawful and Original Contract compliant court;
 11. His alleged courtroom flies a military flag; it is not a Title 4 USC 1 flag, see executive order 10834 and 24 F.R. 6865, clearly denoting he is operating a military tribunal in absolute violation of Amendment II Original Contract;
 12. Scheduled and held in December, in the Year of my Lord Jesus Christ two thousand fifteen, a ~~secret~~ "hearing" in violation of Amendment II Original Contract;
 13. Attempting to force and coerce me to contract, against my will, with a foreign agent judicial officer, aka lawyers, esquires, et cetera, simply so he can unlawfully garner jurisdiction;

Further, any, even minute, violation of the Original Contract, or law derived from it, strips any alleged "Court" of any jurisdiction and venue to proceed at all, only enough to dismiss with prejudice; this is a Notice and Demand to redile previously submitted Law documents and to file any/all in the future; Any omission is not a waiver thereof; a copy, facsimile and digital scan is lawfully declared to be an original. This is not in any way meant to delay, and is made in good faith, solely seeking truth and Justice, if it exists in this defaulted and dishonored military, commercial, corporate system, all being absolutely non-compliant with the Original Contract, the Constitution for the United States of America 1819.

Facts and Self-Evident Truths

All written documents' meanings do not change over time.

Life, liberty, and property do not exist because men have made laws. On the contrary, it was the fact that life, liberty, and property existed beforehand that caused men to make laws in the first place.

Each of us has a natural right, from God, to defend his person, his liberty, and his property.

It is not true that the legislator has absolute power over our persons and property. The existence of persons and property preceded the existence of the legislator, and his function is only to guarantee their safety.

Life, faculties, production-in other words, individuality, liberty, property-this is man. And in spite of the cunning of artful political leaders, these three gifts from God precede all human legislation, and are superior to it.

Liberty is an acknowledgment of faith in God and His works.

Government cannot exercise or obtain more authority than those that formed it originally had.

Genesis 1

[29] And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.

[30] And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so.

Leviticus 19

[35] Ye shall do no unrighteousness in judgment, in meteyard, in weight, or in measure.

[36] Just balances, just weights, a just ephah, and a just hin, shall ye have: I am the LORD your God, which brought you out of the land of Egypt.

Deuteronomy 16

[18] Judges and officers shalt thou make thee in all thy gates, which the LORD thy God giveth thee, throughout thy tribes: and they shall judge the people with just judgment.

[19] Thou shalt not wrest judgment; thou shalt not respect persons, neither take a gift: for a gift doth blind the eyes of the wise, and pervert the words of the righteous.

[20] That which is altogether just shalt thou follow, that thou mayest live, and inherit the land which the LORD thy God giveth thee.

II Samuel 23

[1] NOW these *be* the last words of David. David the son of Jesse said, and the man *who was* raised up on high, the anointed of the God of Jacob, and the sweet psalmist of Israel, said,

[2] The Spirit of the LORD spake by me, and his word *was* in my tongue.

[3] The God of Israel said, the Rock of Israel spake to me, He that ruleth over men *must be* just, ruling in the fear of God.

[4] And *he shall be* as the light of the morning, *when* the sun riseth, *even* a morning without clouds; *as* the tender grass springing out of the earth by clear shining after rain.

2 Chronicles 7

[14] If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Psalms 43

[1] Judge me, O God, and plead my cause against an ungodly nation: O deliver me from the deceitful and unjust man.

Psalms 94

[20] Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?

[21] They gather themselves together against the soul of the righteous, and condemn the innocent blood.

Psalms 127

[1] Except the LORD build the house, they labour in vain that build it: except the LORD keep the city, the watchman waketh but in vain.

Proverbs 8

[15] By me kings reign, and princes decree justice.

[16] By me princes rule, and nobles, *even* all the judges of the earth.

[5] Evil men understand not judgment: but they that seek the LORD understand all *things*.

Proverbs 29

[12] If a ruler hearken to lies, all his servants are wicked.

Jeremiah 6

[16] Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein.

Jeremiah 18

[7] At what instant I shall speak concerning a nation, and concerning a kingdom, to pluck up, and to pull down, and to destroy it;

[8] If that nation, against whom I have pronounced, turn from their evil, I will repent of the evil that I thought to do unto them.

Daniel 3

[16] Shadrach, Meshach, and Abed-nego, answered and said to the king, O Nebuchadnezzar, we *are* not careful to answer thee in this matter.

[17] If it be *so*, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver *us* out of thine hand, O king.

[18] But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up.

Habakkuk 1

[4] Therefore the law is slacked, and judgment doth never go forth: for the wicked doth compass about the righteous; therefore wrong judgment proceedeth.

Matthew 6

[24] No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

[14] Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.

Matthew 25

[40] And the King shall answer and say unto them, Verily I say unto you, Inasmuch as we have done it unto one of the least of my brethren, ye have done it to me.

Luke 16

[13] No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

Acts 5

[29] Then Peter and the other apostles answered and said, We ought to obey God rather than men.

Romans 6

[16] Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?

[17] But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you.

[18] Being then made free from sin, ye became the servants of righteousness.

[19] I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness.

[20] For when ye were the servants of sin, ye were free from righteousness.

[21] What fruit had ye then in those things whereof ye are now ashamed? for the end of those things *is* death.

[22] But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life.

[23] For the wages of sin *is* death; but the gift of God *is* eternal life through Jesus Christ

Romans 8

[28] And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

[17] Now the Lord is that Spirit: and where the Spirit of the Lord *is*, there *is* liberty.

II Corinthians 6

[14] Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

[15] And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

I Timothy 1

[8] But we know that the law *is* good, if a man use it lawfully;

[9] Knowing this, that the law is not made for a righteous man, but for the lawless and disobedient, for the ungodly and for sinners, for unholy and profane, for murderers of fathers and murderers of mothers, for manslayers,

[10] For whoremongers, for them that defile themselves with mankind, for men stealers, for liars, for perjured persons, and if there be any other thing that is contrary to sound doctrine;

[11] According to the glorious gospel of the blessed God, which was committed to my trust.

I John 3

[16] Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the bretheren.

[18] My little children, let us not love in word, neither in tongue; but in deed and in truth.

CAUSE OF ACTION

Life, liberty, and property, all gifts from God preceded man's institutions. For those convinced that God requires obedience in establishing and securing these gifts, there can be no compromise. It is a matter of conviction, not preference. To be truly alive and enjoy God's creation, liberty is the cornerstone that is more important than life itself, hence, "give me liberty or give me death" - Patrick Henry.

The case has been made that in struggling to create a more perfect union, this country's ongoing experiment of a Christian constitutional republic created and secured more blessings than ever experienced before. The case can also be made that our institutions have morphed from the principles of its founders to a dying ember about to be extinguished.

The factors responsible are varied and many. All people whether in the body politic or not are responsible for its success or failure. We suffer from lost ground. When confronted with iniquities involving conviction, preferences carry no weight.

As ambassadors, ultimate allegiance is due the Creator. When conviction involves obedience to God in a matter of spiritual realm vs. physical realm, obedience in the spiritual realm is demanded. This is best evidenced in the trials and tribulations of the apostles of Jesus.

Gene, Thomas and I maintain with much self evident truths and proof, that there is an immense gulf between the vision of the founders and the reality we now see and suffer.

Gene in September, in the Year of our Lord Jesus Christ one thousand nine hundred sixty did affirm an Oath to support and defend the Constitution of the United States to be eligible to defend his country. While speaking publically against textbooks many deemed inappropriate in public schools, Gene was arrested in the KANAWHA COUNTY textbook wars of 1974-1975. Acting on his conviction of civic and Christian duty could have easily cost him his livelihood. In April, in the Year of our Lord Jesus Christ two thousand eight Gene attempted to get Lawful monies for a STATE income tax refund rather than the worthless evidences of debt called FEDERAL RESERVE NOTES. He was repeatedly denied all in absolute and willful violation of the Supreme Law of the Land.

In the Year of our Lord Jesus Christ one thousand nine hundred seventy four I, Phil Hudok, swore an oath to support the Constitution of the United States and the Constitution of the State of West Virginia in order to teach. In the Year 2000 of our Lord Jesus Christ, after teaching 23 years in RANDOLPH COUNTY, I was fired from my teaching position at ELKINS HIGH SCHOOL. Due to religious conviction, I couldn't enforce a new school rule requiring that I punish students for not wearing bar-coded IDs in my classes. I was fortunately exonerated of insubordination in a case which ended in the WEST VIRGINIA SUPREME COURT OF APPEALS.

During an unrelated battle which spanned from the late 1990's to eighth day of August in the Year 2008 of our Lord Jesus Christ, I and others were immersed in a struggle of Christian conviction involving biometric facial recognition. Throughout that period, I, my Pastor Butch Paugh, and others sent many letters, made many phone calls and trips to Charleston to meet with the DMV COMMISSIONER, GOVERNOR Manchin's representatives, and the GOVERNOR himself. STATE SENATOR Clark Barnes assisted us insisting our concerns be taken seriously. We were seeing clear evidence of technological changes which would make possible the Biblical "Mark of the Beast". We unashamedly refused to renew our "driver's licenses", due to the biometric component and drove on expired licenses for more than eight years. It is interesting that in West Virginia fingerprints are optional on licenses, but biometric facial print is mandatory.

GOVERNOR Manchin understood our conviction and ordered the DMV to issue us non-biometric driver's licenses which culminated in the 8/8/08 televised and highly reported alternate licensing at the DMV headquarters then located in the CAPITOL COMPLEX. However, GOVERNOR Tomlin's administration without notice revoked that accommodation. We received notification many months after the fact when people were denied the modified licenses.

Today, everyone that I know of who had obtained non-biometric licenses are driving on expired licenses. This includes my wife, four daughters, Pastor Butch Paugh, and his 86 year old father, Lloyal Paugh. While fighting the Germans in World War II, Lloyal was captured by Germans and held in a POW camp. The elder Paugh was recently denied purchase of prescriptions because his "driver's" license had expired. Unlike his license, Lloyal is still around, he hasn't expired. Mr. Paugh finds it incomprehensible that he is denied medication and forced to drive illegally after fighting the Third Reich, famously known for "SHOW ME YOUR PAPERS!"

As illustrated above, not having a valid "drivers" license presents problems not just restricted to traveling. During a televised newscast covering the battle in New York State where the DMV was refusing to issue NY driver's licenses to illegal aliens, the Commissioner of the DMV stated that "The driver's license is your passport to the world." One can understand the consternation of a Christian when considering 'End Times' biblical prophecy which defines the "Mark of the Beast" as mandatory for buying and selling. Many believe we are in the early stages of a police state.

Fortunately, the local SHERIFF understood our dilemma and chose not to make examples of us. With STATE SENATOR Clark Barnes championing our cause, GOVERNOR Manchin agreed and ordered the DMV to make accommodation unlike GOVERNOR Tomblin who refuses to answer our letters. We are just as convicted now as we were then and will not under any circumstances surrender (the actual DMV's term) our images in a biometric face scan. We have been made to suffer financially, physical, and emotionally.

In the purported FORTIETH CONGRESS, Session II, the SENATE and HOUSE OF REPRESENTATIVES enacted an Act securing the right of expatriation. They stated in Section 1. "WHEREAS the right of expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights of life, liberty, and the pursuit of happiness;...That any declaration, instruction, opinion, order, or decision of any officers of this government which denies, restricts, impairs, or questions the right of expatriation, is hereby declared inconsistent with the fundamental principles of this government."

Gene, Thomas and I will clearly show that in order to enjoy the rights of life, liberty, the pursuit of happiness, personal property, and obedience to our Christian convictions, we are left with no choice but to expatriate ourselves from the STATE OF WEST VIRGINIA, State of West Virginia, West Virginia, and any and all variations, et cetera and its political subdivisions, instrumentalities, private for profit subcontractors providing government services purporting to be lawful government, and fictions of law, et cetera.

Gene, Thomas and I demand the WEST VIRGINIA SUPREME COURT OF APPEALS issue orders to all state departments, subdivisions, instrumentalities and creations, including all Corporations purported to be part of or in association with state government to draft all necessary and appropriate policies to secure our expatriation. As we hope to continue living in this state harmoniously with our fellow man we want a state issued non-biometric identification document so that we may carry on the essential business transactions necessary for daily life.

The WEST VIRGINIA SUPREME COURT OF APPEALS must undertake these necessary actions to secure our God granted and constitutionally acknowledged rights and liberties. To do otherwise is to be in contempt of God and the founders of West Virginia and our country.

While the following is not part of what Gene, Thomas and I seek in remedy, I believe that it is of extreme and immediate importance in the future of our state. It is equally important nationwide and while beyond the scope of your jurisdiction, your actions would be looked upon as setting an example.

What built America, what is killing America, and what must the American people and West Virginia do about it? The United States of America has the world's largest prison population, the world's largest national debt, rampant drug abuse, increasing numbers of single parent homes, and a disappearing middle class. These and other indicators paint a picture of decline. I contend that there is a blatant disregard for the Rule of Law resulting in a cancer on society. It has been festering most of our lives and continues unabated. The people and institutions of this land will continue to suffer and our country is heading for collapse unless we recognize a principle that the founders of both our state and the nation recognized and went about securing protection in their constitutions.

This is an example, maybe the single most important example which the founders addressed in our Preamble and in Article 6, Section 47 of our state constitution. We have a constitutional crisis!

The West Virginia Preamble states the importance of Christian principles and morals. Our culture, wealth, and abundance were built on the principles in Scripture and outlined in the Ten Commandments. As **Alexis de Tocqueville**, a French political thinker and historian best known for his works *Democracy in America* stated:

"I sought for the greatness and genius of America in her commodious harbors and her ample rivers – and it was not there . . . in her fertile fields and boundless forests and it was not there . . . in her rich mines and her vast world commerce – and it was not there . . . in her democratic Congress and her matchless Constitution – and it was not there. Not until I went into the churches of America and heard her pulpits aflame with righteousness did I understand the secret of her genius and power. America is great because she is good, and if America ever ceases to be good, she will cease to be great."

About a year ago, Constitution Party of West Virginia members distributed a 2 part DVD video series titled "Free The Churches -2014" to scores of West Virginia incorporated churches. The series explains the political history, and danger of church incorporation. Despite recent stories of Christian pastors and Christian individuals being told they must violate their religious convictions and the fact that Article 6, Section 47 of the West Virginia Constitution prohibits church incorporation, the few pastors that did respond exhibited fear. Could it be that their fearful actions and lack of response is due to the recent lack of justice and accountability witnessed in the recent IRS targeting of Christians, Conservatives, and those associated with liberty loving movements such as the Tea Party? Can we expect to have a moral culture and muzzled churches?

As a whole, individuals and their representatives have been increasingly recalcitrant in safeguarding our state and federal constitutionally guaranteed rights. Gene, Thomas and I cannot be silent. It is our duty to sound a warning and demand our legitimate constitutional republic be restored. We are doing our part as best we can and we insist the WEST VIRGINIA SUPREME COURT OF APPEALS do the same.

A return to the Rule of Law as the founders intended will be a struggle. Liberty requires responsibility and the biggest obstacle may be man's nature to have a semblance of peace and order now while sacrificing his future and posterity. The founders made it clear that was not something they could do. Consider Alexis de Tocqueville's statement:

"Every nation that has ended in tyranny has come to that end by way of good order. It certainly does not follow from this that peoples should scorn public peace, but neither should they be satisfied with that and nothing more. A nation that asks nothing of government but the maintenance of order is already a slave in the depths of its heart; it is a slave of its well-being, ready for the man who will put it in chains."

The JUSTICES of the WEST VIRGINIA SUPREME COURT OF APPEALS have the authority and responsibility to investigate what can justly be called the constitutional crises of Church incorporation. Upon investigation, if what we allege is found to be true, a course of remedy must be set regardless of the odds and obstacles. If state government will not act, at some future time the people will be left with mass non-compliance, or mass rebellion and the results could get very ugly. We are calling for a non-violent return to the Constitutional Rule of Law in what is fundamental to our way of life, namely freedom of religion. Considering the consequences, restoration of freedom of religion is as important as any war fought for survival and independence. The framers of our state's constitution clearly meant to secure church sovereignty. Whether ignorance or apathy precipitated our fall, to be complacent is to be complicit. The "Mountaineers Are Always Free" state must take the lead! We must repent and ask the Lord to lead us in this quest. To do otherwise, guarantees depravity and tyranny to ourselves and our posterity.

Because Gene, Thomas and I are not part of a corporate church, we don't have standing to include action in the realm of church incorporation. However as our brother's keeper, we are still obligated to make a plea for WEST VIRGINIA SUPREME COURT OF APPEALS action.

Furthermore, Ambassador Thomas David House of Deegan does set forth the following list of flagrant, willful, egregious and criminal actions committed and furthered by irrational foreign agents of private for profit subcontractors providing government services purporting to be lawful government, to wit:

Rebuttal of silent presumptions by Thomas David House of Deegan, unanswered, the seventeenth day of August, in the Year of Our Lord Jesus Christ two thousand fourteen
Affidavit of Thomas David House of Deegan, unrebutted and un rebuttable, the twenty first day of August, in the Year of our Lord Jesus Christ two thousand fourteen
Any and all filings by myself into purported case file # 11-f-101

ALL of the aforementioned Public and Private Records are hereby restated in their entirety, and incorporated herein, as if set forth in full, all being unanswered to this very day and now stand as absolute truth and fact in law universally.

On the twenty eighth day of February, in the Year of our Lord Jesus Christ two thousand ten, I, Ambassador, Thomas David House of Deegan, had my personal living quarters invaded by unidentified, masked militarily armed foreign agents, without warrant of any kind. This amounted to a violent kidnapping by armed military men who ransacked my living quarters and stole personal property which has never been returned.

I was taken to a private business for a purported hearing which was nothing more than a Star Chamber court. Throughout this ordeal, I demanded the lawful authority for their actions, but none was provided. They provided a purported counsel who asked no questions. No transcription was made and I, the violated victim, was not permitted to "testify" under oath on my own behalf.

My demands for lawful authority continued to be ignored. My kidnapping was compounded by transfer to an out of county mental facility, all against my will and without lawful authority. I was forced to sleep and be imprisoned in a utility room for ten days.

After having supposedly been released, I was again kidnapped by agents who refused to provide any documents of lawful authority of purported charges levied. I was forced to sign unlawful paperwork of a foreign corporation to secure my rightful freedom. I found it necessary to fire the appointed foreign agent counsel and attacked any and all paperwork of the irrational foreign agents. This continued until February in the Year of our Lord two thousand twelve. The unlawful documents, that had been withheld from me until the purported trial was about to begin, were of imaginary jurisdiction, and imaginary venue under an imaginary law form as well as perjury in front of the purported foreign GRAND JURY.

At this point I chose to honor, accept and acknowledge the Original Jurisdiction, Original Venue and Original Law Form as authored by the Creator, the Almighty Author of All. In that my foreign agent captors had not proven anything, I did not need to recognize a fiction of law operated by irrational foreign agents. I continued to live my life as the Almighty Author of All allows me through the Organic trust He authored and the freewill choice He bestowed upon me.

I gave the violent, irrational foreign agents several opportunities to make amends for their transgressions. They failed to respond sealing their silence as absolute agreement. By making absolutely no attempt to answer anything at any time, these unlawful agents proved the fraud being perpetrated statewide against me and my fellow brothers and sisters.

On the thirtieth day of July, in the Year of my Lord Jesus Christ two thousand fourteen, I was kidnapped again by violent and irrational foreign agents who failed to identify themselves or check with their superiors when warned of their unlawful trespass upon me and my property. At their private business location, they finally produced what they claimed was a warrant. However, I realized it was signed by a mere foreign agent clerk and not someone with any real authority. I was again unlawfully taken against my freewill choice to a military prison.

These military facilities amount to a commercial scheme involving bonds, categorizing real-men with hands and legs as mere property and monetary slaves. I refused to sign any contracts and was punished by the military foreign agent staff by having to wear the same clothes for twenty-one days. With no change of clothes, cover, or pillow, and only a floor mat, do not dogs in a shelter receive better care?

Declarations and Affidavits were sent rebutting the silent unlawful presumptions and imaginary facts further giving the irrational foreign agents an opportunity to make remedy for their crimes and dishonor. They failed to even acknowledge the Law documents which cemented all of my Law documents as absolute truth and fact in Law universally. I have never once accepted or acknowledged the inferior and imaginary jurisdiction, venue and law form that was forced upon me by irrational and violence prone foreign agents at any time. Under extreme duress, coercion, and the knowledge that if I did not take "their deal", I would have no chance of regaining my rightful freedom and be faced with even more threatening and imaginary charges and imprisonment.

At no time was I offered a trial by jury of my peers, but was offered a military trial by citizens, meaning registered voters and subjects of, COUNTY OF WOOD of which I have never accepted, acknowledged nor registered in as a slave or voter thereof. I am unlawfully restrained and unable to even visit my children, a ludicrous and insane burden that I am forced to bear. Additionally, I am forced to pay for this insanity at a rate of eleven unconstitutional and counterfeit FEDERAL RESERVE NOTES per day and was unlawfully ordered to pay over six thousand unconstitutional and counterfeit FEDERAL RESERVE NOTES for a purported military jury trial I never acknowledged, accepted or utilized and a Foreign agent ESQUIRE I barely used. The circular logic of paying a debt with a debt instrument only makes perfect sense in the imaginary land of fictions. On the receipt for payment of an unlawful debt with more debt to WOOD COUNTY SHERIFFS OFFICE, I am listed as a customer. More insanity!

This is in no way, nature, shape or form an appeal. This is a demand for absolute and unconditional settlement and closure of any and all matters relating in any manner or way to purported case #11-F-101.

Gene, Phil and I further assert that we are not an enemy of any real-men with hands and legs, but are enemies of Satan and his agents.

 Slavery is an institution by the law of nations, by which a man is subjected to a foreign master, contrary to nature.
 Silence shows consent.
 Laws are silent amidst arms
 That is the highest law which favors religion.
 That reason is strongest which operates in favor of religion.
 Suppression of the truth is equal to the expression of the false.
 The law favors works of charity, right, and truth; and abhors fraud, covin, and uncertainties which obscure the truth, contrarieties, delays, unnecessary circumstances, and such like.
 Things grounded upon an ill and void beginning cannot have a good perfection.
 Things of a higher nature determine things of a lower nature.
 Where transgression is multiplied, let the infliction of punishment be increased
 When an ordinary remedy ceases to be of service, recourse must be had to an extraordinary one.
 Where there is a right, there is a remedy.
 Where there is no manifest injustice, the judges are to be considered as honest men, and their judgment as truth.
 Where there is an injury, there a loss follows.
 One ought not to take advantage of his own wrong.
 The answer of one witness shall not be heard at all.
 Usury Is odious in law.
 Plain truths need not be proved.
 When words are merely equivocal, if by common usage of speech they acquire a certain meaning, such meaning is to be preferred.
 The truth of the description removes the error of the name.
 Truth fears nothing but concealment.

The truth of the name removes the error of description.
Truth which is not sufficiently defended, is oppressed.
He who does not speak the truth freely, is a traitor to the truth.
The laws serve the vigilant, and not those who sleep.
It is lawful to repel force by force; but let it be done with the moderation of blameless defense; not to take revenge, but to repel injury.
Clerical errors ought not to prejudice.
Void things are as no things
Words spoken vanish; words written remain.
The voice of the people is the voice of God.
When the foundation fails, all fails.
The contract makes the law.
In a fiction of law equity is always present.
Law is established for the benefit of mankind.
The laws of nature are unchangeable.
Laws should bind their own proposer.
When the laws imposed by the state fail, the laws of nature must be invoked.
Law is the science of what is good and just.
The husband and wife are but one person in the law.
It is perpetual law that there is no human and positive law perpetual.

Refusal for Cause, Without Dishonor

Affidavit and Declaration of Absolute Truth and Facts, Self-Evident and otherwise

In reference to purported SCHEDULING ORDER dated June 5, 2015

Case No.15-0491

State of "West Virginia"

On the ninth day of June, in the Year of our Lord two thousand fifteen.

The SCHEDULING ORDER made and entered June 5, 2015 is, by these Presents, under full liability and complete transparency, hereby Refused for Cause, Without Dishonor based upon the following statements of absolute truth and facts, self-evident and otherwise, and the illegality and unlawfulness of such purported ORDER, to wit:

The attempt by the WEST VIRGINIA SUPREME COURT OF APPEALS, and agents thereof, to fraudulently, willfully and intentionally change and alter the Complaint and Demand, standings, capacities, jurisdiction, venue and law form as dictated by the Sovereign Authority and Will of real-men with hands and legs is Refused for Cause, Without Dishonor, and the purported SCHEDULING ORDER is hereby ORDERED removed from the public and private case file, public record and publication immediately. The defendants were given thirty days from the day of service to respond, or correct their actions, as petitioned for previously. Any delay or interference by any entity is aiding, abetting and furthering any and all violations and breaches. The required date of response is the twenty eighth day of June, in the Year of our Lord two thousand fifteen. Each and every day of lawlessness and Constitutional crisis is causing extreme harm and hardship to real-men with hands and legs.

The Honorable Phillip Hudok, the Honorable Gene Stalnaker and Ambassador for Heaven Thomas David House of Deegan, real-men with hands and legs, under full liability and complete transparency, do by these Presents, correct the public and private case file, public record and publication. Failure to do so is an admission by the WEST VIRGINIA SUPREME COURT OF APPEALS, and agents thereof, of aiding, abetting and furthering of any and all violations and breaches of the Original Contracts.

EMERGENCY Declaratory Judgment demand, Ultra Vires and other Equitable relief demand is hereby restated in its entirety, and incorporated herein, as if set forth in full.

All Affidavits of Service are hereby restated in their entirety, and incorporated herein, as if set forth in full.

Furthermore, the Signatory asserts, avers, affirms and attests, under full liability and complete transparency, the following as to the aforementioned purported ORDER, to wit:

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny that I can visit, see and/or recognize the imaginary, creature of the mind, and fiction of law STATE OF WEST VIRGINIA.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny the SUPREME COURT OF APPEALS OF WEST VIRGINIA can also operate as Supreme Court of Appeals, as it would be perpetrating fraud, breach of Original Contract, and aiding and abetting, et cetera in attempting to operate as more than one entity at a time without lawful authority to do the same.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby strike State of West Virginia ex rel. before my parental given name and restate the original description in its entirety, and incorporate

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny the imaginary, creature of the mind and fiction of law STATE OF WEST VIRGINIA can also operate as State of West Virginia, West Virginia and WEST VIRGINIA as it would be perpetrating fraud in attempting to operate as more than one entity at a time without lawful authority to do so in absolute defiance of the Original Contracts.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny the defendants are stated in any proven capacities, and further absolutely fails to state their true capacities and standings as has been proven by, and within, the original complaint and demand. Furthermore the unknown defendants are not stated in the caption. Therefore it is ORDERED that on this, and all future filings, it be corrected and reflected as follows, to wit:

Defendants

Earl Ray Tomblin a.k.a. EARL RAY TOMBLIN , foreign agent, purported Governor of West Virginia d.b.a. Manager of WEST VIRGINIA GOVERNORS MANSION and Chief Executive Officer of GOVERNOR'S OFFICE, a private for profit subcontractor providing government services and purporting to be lawful government, and other unknown corporate entities and all principals, agents, assigns and successors, hereinafter referred to as defendant.

Patrick Morrissey a.k.a. PATRICK MORRISEY, foreign agent, purported Attorney General of West Virginia d.b.a. ATTORNEY GENERAL WEST VIRGINIA, a private for profit subcontractor providing government services and purporting to be lawful government, and other unknown corporate entities and all principals, agents, assigns and successors, hereinafter referred to as defendant.

Steve Harrison a.k.a. STEVE HARRISON a.k.a. STEPHEN HARRISON, foreign agent, purported Clerk of the House of Delegates of West Virginia d.b.a. VIRGINIA WEST LEGISLATURE, a private for profit subcontractor providing government services and purporting to be lawful government, and other unknown corporate entities and all principals, agents, assigns and successors, hereinafter referred to as defendant.

UNKNOWN private for profit subcontractors providing government services and purporting to be lawful government in operation, and conducting business, on the soil of West Virginia and all principals, agents, assigns and successors, hereinafter referred to as defendant.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do accept the designation and ruling by the COURT that defendant Patrick Morrissey a.k.a. PATRICK MORRISEY is an Esquire, a Title Of Nobility, and is in fact and in law, at law or otherwise, a foreign agent of a foreign power and do hereby demand full criminal charges be immediately sworn out and implemented without delay.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I am pro se as I do not have the ability to magically re-present myself. I am proceeding by, and under the authority of, Divine Visitation in propria persona sui juris.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I petitioned this COURT. I submitted an affirmed complaint and demand. Therefore it is ORDERED that on this, and all future filings, it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I simply prayed for, as I prayed for and demanded. Therefore it is ORDERED that on this, and all future filings, it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I prayed for and demanded a single writ of mandamus, as I prayed for and demanded multiple writs of mandamus and writs of prohibition. Therefore it is ORDERED that on this, and all future filings, it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I demanded those same writs to be directed at only the stated defendants in the purported SCHEDULING ORDER as the same did not include the unknowns. Therefore it is ORDERED that on this, and all future filings, it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby invoke, under, and out of, the authority of absolute necessity, Rule 2. Suspension of Rules from the REVISED RULES FOR APPELLATE PROCEDURE FINAL VERSION for good cause as shown by both the affirmed complaint and demand and this Refusal for Cause, Without Dishonor, Affidavit and Declaration of Absolute Truth and Facts, Self-Evident and otherwise, for application to this imaginary, creature of the mind and fiction of law jurisdiction and venue. Further, when there is no rule of law and strict adherence to the Original Contract there can be no rules. Justice, Truth, Relief, Remedy and Recourse demand and require immediate, without delay or interference, judgment and action to right the wrongs, infractions, injuries, breaches and other crimes committed daily under the cloak of pretended authority and outright violence. Furthermore, this matter as set forth has been ripe and mature for adjudication for decades and will be handled and settled now, not later, and any legal wrangling will be taken, and utilized, as further admissions of guilt by all defendants, known and unknown, and any entities attempting to aid and abet the same.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do not understand what a true copy is. Further, I do not see an actual signature by another real-man with hands and legs, under full liability and complete transparency, so I do hereby deny this purported SCHEDULING ORDER has any validity whatsoever, in law, at law or otherwise.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny the purported seal as a simple image decrees any lawful authority whatsoever. Further, it has WEST VIRGINIA and that

makes four different capacities and standings all on one page. Furthermore, I do hereby deny any of the four have lawful standing, capacity and/or standing in law, at law or otherwise.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby declare I shall Refuse for Cause, Without Dishonor all mailings by any entity that is not properly addressed to myself as aforementioned. Any deviation therefrom shall be returned unopened. The presumption going forward shall be that there was no response or mailing at all and that it was also an attempt to magically transform or transport myself into some imaginary, creature of the mind and fiction of law capacity, standing, jurisdiction, venue and law form in an attempt to hinder the very things being adjudicated.

All words, letter combinations and intent shall be as defined, construed and interpreted by the Signatory.

All parties, persons and entities shall have seven calendar days to rebut and/or respond. All maxims applicable at that time are hereby invoked, restated in their entirety, and incorporated herein, as if set forth in full.

A true, accurate and complete copy, facsimile or digital scan is legally and lawfully declared to be an original.

Proceeding in propria persona, sui juris by Divine Visitation and Authority; with all rights, privileges, freedoms, immunities, capacities and standing claimed, reserved, and exercised; without prejudice; without recourse; non-transferable.

By the Autograph and Seal affixed below, under full liability and complete transparency, I,

Thomas David Hawk & Dagan do Declare, Proclaim, Aver, Attest and Affirm that the foregoing is true, accurate and complete, the truth, the whole and nothing but the truth to the best of my knowledge and ability, so help me God.

v.

JOINT SUMMARY RESPONSE ON BEHALF OF RESPONDENTS

Comes now the Respondents, Governor Earl Ray Tomblin and Attorney General Patrick Morrissey, in their official capacities, by counsel, Julie A. Warren, Assistant Attorney General, and comes Steve Harrison, Clerk of the West Virginia House of Delegates, in his official capacity, by counsel Daniel W. Greear, who do file the within summary response in opposition to the Petitioner's Writ of Mandamus.

I. STATEMENT OF FACTS

In support of their filing, the Petitioners assert a number of that unsubstantiated facts and allegations. For instance, the Petition includes a claim by Petitioner Thomas David House of Deegan of kidnapping by unidentified "foreign agents," but in reality appears to involve an arrest in relation to a criminal action undertaken in Wood County, West Virginia, with a Criminal

Action Number 11-F-101. Petitioner Thomas David House of Deegan expressly states he is not seeking an appeal of the adjudication of this criminal action, but instead “demand[s] ... absolute and unconditional settlement and closure of any and all matters relating in any manner or way to purported case #11-F-101. Id. at 13. The Petition also includes an unsubstantiated claim by Petitioner Hudok that he, along with other individuals that are not named as a party to this Petition, have been unable to renew their non-biometric drivers’ licenses. Ptrs. Br. at 9.

II. ARGUMENT

The entirety of the subject Petition is frivolous on its face. The Petitioners’ allegations are unsubstantiated and the remedies sought are clearly outside the purview of this Court. The Petitioners demand this Court issue a writ of mandamus ordering the following:

- the dissolution of the government of the State of West Virginia;
- the liquidation of all assets in the State Treasury;
- the renunciation and vacation of all government offices by all office holders,
- that each office holder then swear to the oath as set forth in the Petition;
- the procurement of a bond by each office holder of at least \$50,000 dollars to indemnify and settle with “the real-men with hands and legs”;
- the void and cancellation of all laws enacted after 1863;
- the declaration that the 1819 Constitution and the Constitution amended by Congress in 1862 be in full force and effect;
- the repeal of the Emergency Banking Act;
- the prohibition of members of this Court from “holding an office or position of trust and/or profit forever”;

- the expatriation of the Petitioners and any other “real-men with hands and legs” who give notice to the State;
- that the DMV issue “Diplomatic Identification papers and Diplomatic plates for all real-men with hands and legs who shall give notice of their expatriation for a minimal fee”;
- the settlement and closure of Criminal Action No. 11-F-101, and the expungement thereof;
- refund of any monies paid to the Wood County Sheriff’s Department for home confinement;

Id. at 23-24. It appears they further demand that the Court issue a writ of prohibition directed that “each and every ‘court’ conducting business and operating on the soil of West Virginia to cease and desist all actions and proceedings,” and to “release all real-men with hands and legs” from service of any sentence. Id. at 22.

The Petition falls well short of meeting the standards needed for the granting of such extraordinary relief. First, the Petition’s demand for mandamus relief is devoid of merit, as clearly this Court has no authority to grant the aforementioned relief sought, i.e. the repeal of the West Virginia Constitution, order the dissolution of government, amend the U.S. Constitution, etc. “A writ of mandamus will not issue unless three elements coexist—(1) a clear legal right in the petitioner to the relief sought; (2) a legal duty on the part of respondent to do the thing which the petitioner seeks to compel; and (3) the absence of another adequate remedy.” Syl. Pt. 2, *State ex rel. Kucera v. City of Wheeling*, 153 W.Va. 538, 170 S.E.2d 367 (1969) The Petitioners fail to cite any actual authority to support any legal right to the extraordinary relief sought. Instead they rely upon a series of philosophical statements for which no originating credit is assigned. Moreover, the Petitioners fail to identify any legal duty on the part of the Respondents to do the

thing the Petitioners seek this Court to compel. Thus, the Petitioners' demand for mandamus relief must be denied.

Second, the Petition's demand for a writ of prohibition against "each and every 'court' conducting business and operating on the soil of West Virginia" must also be dismissed as frivolous. In addition to the fact that the Respondents are not the proper parties for such relief, the Court has no authority to federal courts, or even lower state courts, "to cease and desist all actions and proceedings" in the State of West Virginia, nor can it simply "release all real-men with hands and legs" from serving their criminal penalty. There is nothing in the Petition to otherwise support a showing that any lower court in this State has either exceeded the scope of its jurisdiction or its legitimate power. *See* Syl. Pt. 1, *Crawford v. Taylor*, 138 W.Va. 207, 75 S.E.2d 370 (1953). Thus, the request writ of prohibition must be denied.

III. CONCLUSION

For the reasons herein stated, the Respondents respectfully request that the Court deny the relief sought by the Petitioners.

Respectfully submitted,

I do not possess these same magical skills nor would I want to.

I shall now set forth a proper correction of the aforementioned RESPONSE, which is not an answer as the average person would, but an attempt to pervert justice simply because the defendants and their conspirators believe they are above the Rule of Law.

The defendants have already been notified of the proper names, capacities, standings, jurisdiction and venue of the Plaintiffs yet the defendants feel they can do whatever they please. It is the defendants that have failed to provide proper and lawful evidence of who the defendants are which is at the center of the Emergency Affirmed Complaint and

Demand. Anybody can claim anything, but at some point must realize the defendants may be called out publicly as I do now. The proper standing, capacity, jurisdiction and venue of the Plaintiffs are as follows, to wit:

These can all be proven lawfully if ever openly challenged unlike the defendants at this point. The absolute disrespect shown to the Plaintiffs on the cover page alone is Contempt of the Supreme Authority. The Honorable Gene Stalnaker has earned the respect of at least having his name spelled correctly. Further, the multiple names, capacities, standings and jurisdictions of the defendants has been altered, and two excluded, in an attempt to further the fraud and are properly corrected as follows, to wit:

Defendants

Earl Ray Tomblin a.k.a. EARL RAY TOMBLIN , foreign agent, purported Governor of West Virginia d.b.a. Manager of WEST VIRGINIA GOVERNORS MANSION and Chief Executive Officer of GOVERNOR'S OFFICE, a private for profit subcontractor providing government services and purporting to be lawful government, and other unknown corporate entities and all principals, agents, assigns and successors, hereinafter referred to as defendant.

Patrick Morrissey a.k.a. PATRICK MORRISEY, foreign agent, purported Attorney General of West Virginia d.b.a. ATTORNEY GENERAL WEST VIRGINIA, a private for profit subcontractor providing government services and purporting to be lawful government, and other unknown corporate entities and all principals, agents, assigns and successors, hereinafter referred to as defendant.

Steve Harrison a.k.a. STEVE HARRISON a.k.a. STEPHEN HARRISON, foreign agent, purported Clerk of the House of Delegates of West Virginia d.b.a. VIRGINIA WEST LEGISLATURE, a private for profit subcontractor providing government services and purporting to be lawful government, and other unknown corporate entities and all principals, agents, assigns and successors, hereinafter referred to as defendant.

UNKNOWN private for profit subcontractors providing government services and purporting to be lawful government in operation, and conducting business, on the soil of West Virginia and all principals, agents, assigns and successors, hereinafter, are referred to as defendants.

The defendants have purposely attempted to exclude the UNKNOWNs and purported GOVERNOR and so they are properly inserted above. As any rational person knows spelling, capitalization and punctuation mean everything In Law. They are also attempting to change the Plaintiffs to a petitioner which may be proper if the Plaintiffs were not utilizing the blended jurisdictions which operate in the purported STATE OF WEST VIRGINIA 'COURTS'.

The defendants, purporting themselves to be lawful government and expressing by their own actions and purported answer that they are above the rule of law, have called into question the mental ability to hold any purported

constitutional office. How can we rely on their ability to be competent purported public servants? The purported federal courts (refer to the corporate CORPUS JURIS SECUNDUM) have stated that incompetents and minors are wards of the court. Clients are determined wards of the court and are therefore incompetent. Further, it appears there is now a serious conflict of interest. The corporations and real-men with hands and legs being sued are now finding those from within the same to re-present them. The defendants are attempting to assert only purported official capacities even though they are brought in under purported official capacity, personal capacity and corporate capacity all by counsel, obviously as they are incompetent to answer let alone hold any OFFICE or position of TRUST.

In the purported I. STATEMENT OF FACTS the defendants say that the Plaintiffs assert unsubstantiated facts and allegations. We appreciate their confirmation of the facts, and because they are agreed to as facts, they of course through common sense, tacit consent and agreement then verify the allegations as fact as well.

The defendants further claim that the taking of a person against their consent and freewill choice without a Lawful warrant is an arrest. This is absolute lunacy. By definition a kidnapping is just that. If they had bothered to read the complaint and research all that was incorporated therein they would clearly see that was the case and was a Declaration Thomas David House of Deegan has maintained from day one. Check the purported public record. The purported criminal action, as they portray, is a cover up. It is actually, by federal regulation, a commercial crime. Look it up at CFR 72.11. It is a commercial charge against a cestui que vie trust of which Thomas David House of Deegan is the Beneficiary.

There is additional fraud being perpetrated by the purported "COURTS" that must be exposed. The action against Thomas David House of Deegan was not undertaken in Wood County, West Virginia as the defendants claim. It was actually undertaken in WOOD COUNTY, STATE OF WEST VIRGINIA which is an imaginary creature of the mind, a fiction, and properly defined as a fiction of law. Black's Law Dictionary, Fifth Edition, states "Fiction of law. An assumption or supposition of law that something which is or may be false is true..." and concludes with "A rule of law which assumes as true, and will not allow to be disproved, something which is false, but not impossible." We certainly have a problem, don't we? Check the purported public record as it was incorporated within the Original Affirmed Complaint and Demand. The kidnappers are by their own definition (see - Title 5 USC 331, 332, 333 backed up by Title 22 CFR Foreign Relations 92.12 - 92.31 and Title 8 USC, section 1481 - the public official relinquishes his national citizenship and are thus foreign agents as stipulated under Title 22 USC, chapter 11, section 611, loss of national citizenship, International Organization Immunities Act of 12-9-1945), foreign agents!

Our intent is not to wreck the system, but to bring it back into a condition of health profiting all people. It would do everyone, both the public and purported public servants, well to contemplate the transformation of meaning and original intentions behind the terms fiction and fiction of law. Early law dictionaries such as the 1708 Cowell Law Dictionary does not even mention fiction or fiction of law. The 1740 Hodges Student's Law Dictionary has fiction of law and defines it as only an invented form of conveyance for the docking of an estate.

Fiction of Law, is what is allowed in many Cases: as the Sciffin of the Conuise in a Fine, which is only an invented Form of Conveyance; a common Recovery, which is no more than a Strutal Device

The 1810 Tomlin's Law Dictionary warns that "Fiction of Law, Is allowed of in several cases: but it must be framed, according to the rules of law; not what is imaginable in the conception of man; and there ought to be equity and possibility in every legal fiction."

Fiction of Law, *Fictio juris*.] Is allowed of in several cases: but it must be framed, according to the rules of law; not what is imaginable in the conception of man; and there ought to be equity and possibility in every legal fiction. There are many of these fictions in the civil law; and by some civilians, it is said to be an assumption of law upon an untruth, for a truth in something possible to be done, but not done. The origin of the conceit in a fine is but a fiction in our law; it being an invented form of conveyance only. And a common recovery is *fictio juris*, a fair act or device by consent, where a man is desirous to cut off an estate-tail, remainders, &c. 10 Rep. 42.

FIC

FIAR, in the Scotch law, is he whose property is burdened with a life-rent. Ersk. Pr. of L. Scot. B. 2, t. 9, s. 23.

FIAT, in practice, is an order of a judge, or of an officer, whose authority, to be signified by his signature, is necessary to authenticate the particular acts.

FICTION OF LAW, is the assumption that a certain thing is true, and which gives to a person or thing, a quality which is not natural to it, and establishes, consequently, a certain disposition, which without the fiction would be repugnant to reason and to truth. It is an order of things which does not exist, but which the law prescribes or authorises; it differs from presumption, because it establishes as true, something which is false; whereas presumption supplies the proof of something true. Dalloz, Dict. h. t. Fictions were invented by the Roman pretors, who, not possessing the power to abrogate the law, were nevertheless willing to derogate from it, under the pretence of doing equity. Fiction is the resource of weakness, which, in order to obtain its object, assumes as a fact, what is known to be contrary to truth: when the legislator desires to accomplish his object he need not feign, he commands. Fictions of law owe their origin to the legislative usurpations of the bench. 4 Benth. Ev. 300. It is said that every fiction must be framed according to the rules of law, and that every legal fiction must have equity for its object. 10 Co. 42; 10 Price's R. 154; Cowp. 177; and, to prevent their evil effects, they are not allowed to be carried further than the reasons which introduced them necessarily require. 1 Lill. Ab. 610; 2 Hawk. 320. The law abounds in fictions. That an estate is in abeyance; the doctrine of reverter, by which a party who has been dispossessed of his freehold,

and afterwards acquires a defective title, is remitted to his former good title; that one thing done to-day, is considered as done at a preceding time by the doctrine of relation; that because one thing is proved, another shall be presumed to be true, which is the case in all presumptions; that the heir, executor and administrator, stand by representation, in the place of the deceased; are all fictions of law. "Our various introduction of John Doe and Richard Roe," says Mr. Evans, (Poth. on Ob. by Evans, vol. ii., p. 43,) "our solemn process upon disseisin by Hugh Hunt; our casually losing and finding a ship (which never was in Europe,) in the parish of St. Mary Le Bow, in the ward of Cheap; our trying the validity of a will by an imaginary wager of five pounds; our imagining and compassing the king's death, by giving information which may defeat an attack upon an enemy's settlement in the antipodes; our charge of picking a pocket, or forging a bill with force and arms: of neglecting to repair a bridge, against the peace of our lord the king, his crown and dignity; are circumstances, which, looked at by themselves, would convey an impression of no very favourable nature, with respect to the wisdom of our jurisprudence." Vide 13 Vin. Ab. 209; Merl. Rép. h. t.; Dane's Ab. Index, h. t.; and Rey, des Inst. de l'Angl. tome 2, p. 219, where he severely censures these fictions as absurd and useless.

FICTITIOUS ACTIONS, *prætorie*, are suits brought on pretended rights. They are sometimes brought, usually on a pretended wager, for the purpose of obtaining the opinion of the court on a point of law. Courts of justice were constituted for the purpose of deciding really existing questions of right between parties, and they are not bound to answer

In Lewis Carroll's 1871 book ThroughThe Looking Glass, Alice is amazed to find a world where "what is, isn't and what isn't is!" The corporate fiction world that we now live in has taken "fiction of law" and "what is, isn't and what isn't is" to levels way beyond the restricted framing and equity warned of and practiced in the past! Whereas, fiction of law was used for simple conveyance of property of the deceased, we have shown by clear and convincing evidence in our filings that we are simply considered property, creatures of the mind. We are real-men with hands and legs.

Congress has relinquished every public office over to the UN. Now, all government bodies, from local governments to the presidency, fall under UN jurisdiction. When Obama took the chairmanship of the UN Security Council, it was more than symbolism of UN usurpation, it would arguably be a violation of Section 9 of the Constitution for the United States of America c1819 which states "No Title of Nobility shall be granted by the United States: And no Person holding any Office of Profit or Trust under them, shall, without the Consent of the Congress, accept of any Present, Emolument, Office, or Title, of any kind whatever, from any King, Prince, or foreign State." This purported COURT has the duty and responsibility to its creators to uphold the rule of law and protect all real-men with hands and legs from intrusions and acts of war by these purported public officials and purported public servants who are in fact foreign agents and/or esquires.

Sadly, CONGRESS gave the UN the right to dictate what laws will be international & gave them the right to tax the States. Their enforcers are therefore foreign agents! Ignorance of these laws (controlling everyone) is no excuse. It is only "reality" as claimed by the defendants in their imaginary land of fictions, that (they) "will not allow to be disproved, something which is false." Plaintiff Thomas David House of Deegan is not seeking an appeal as that would give validity to Trust Fraud. Absolute settlement and closure of the commercial monetary charge levied against the trust, and therefore post settlement and closure, by the actual trustees, is indeed both proper and lawful.

As understood in Maxims of Law and Equity, the defendant's counsel's "unsubstantiated claim" of Phillip Hudok and the facts surrounding non-renewal of the non-biometric drivers' licenses has not been rebutted by the defendants and is therefore Fact and Truth. The flagrant and willful violations of the Original Contracts by the defendants in regard to the Honorable Gene Stalnaker's demand for Lawful money, in the form of gold and/or silver coin, involving a STATE income tax refund, is now truth and fact being unrebutted by the defendants at the first possible opportunity. The Truth and Facts are substantiated and substantial, not frivolous as contended.

The defendant's counsel's statements, in their JOINT SUMMARY RESPONSE ON BEHALF OF RESPONDENTS, that the purported "Court", obviously referring to the SUPREME COURT OF APPEALS, "has no authority to federal courts, or even lower state courts," and claims to limit the jurisdiction and mandate of the real-men with hands and legs of West Virginia guaranteed under constitutional rule of law and therefore a flagrant contempt of the judiciary and the sovereign authority of real-men with hands and legs. If this is presently the case, the purported "COURT" is of no consequence and would justify the immediate bringing into existence for real-men with hands and legs, an actual Court of Record to effectuate Justice and enforce the Rule of Law. **Maxim of Law: When an ordinary remedy ceases to be of service, recourse must be had to an extraordinary one.**

Indeed, there is a matter of Constitutional Crises in our state regarding the perpetual presidential dictatorial powers of the 1933 Emergency Banking Act which amended the 1917 Trading with the enemy Act and must be immediately addressed!

Constitution of West Virginia Article 1- Section 3. Continuity of constitutional operation.

"The provisions of the constitution of the United States, and of this state, are operative alike in a period of war as in time of peace, and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government, and tends to anarchy and despotism."

A further "West Virginia" Constitutional Crisis that must be addressed in our state is that most churches are incorporated contrary to the Constitution of West Virginia!

Constitution of West Virginia Article 6- Section 47. Incorporation of religious denominations prohibited.

"No charter of incorporation shall be granted to any church or religious denomination."

Correcting counsel's purported II. ARGUMENT, an actual verified complaint supported by facts, truth and the defendants own words and code, cannot by definition be frivolous. The "allegations" by the Plaintiffs to any reasonable real-man with hands and legs are substantiated by the aforementioned beyond any doubt. The phrase "real-man with hands and legs" comes from the mouths of the co-conspirators of the defendants (refer to UNIFORM COMMERCIAL CODE FILING # 0000000181425776) which is also prima facie evidence of trafficking in men, woman and children, among other crimes.

Furthermore, the defendants appear to be claiming the ability to operate several different capacities and that those same capacities are explicitly authorized by the Original Contracts. Because the defendants appear to be functionally illiterate in regards to the writs demanded and ordered and are attempting to redefine and distort the letter combinations, intent and definitions of the intellectual property of the Plaintiffs, which has been reserved by the Plaintiffs exclusively, the writs and what is actually being sought are set forth again as follows, to wit:

We, the Signatories, hereby declare and proclaim that the above flagrant and willful violations, infringements and crimes can, and shall, be corrected by the forgiveness, relief, remedy and settlement so prayed and demanded, to wit:

A Writ of Mandamus issued dissolving all known and unknown private for profit subcontractors providing government services purporting to be lawful government, unconditionally and without delay.

A Writ of Mandamus directing the Treasury of West Virginia to liquidate all assets of the aforementioned private for profit subcontractors providing government services purporting to be lawful government to be returned to the real-men with hands and legs, to be divided equally, and distributed to the same without delay.

A Writ of Prohibition issued to, and directing all private for profit subcontractors providing government services purporting to be lawful government known as each and every "court" conducting business and operating on the soil of West Virginia to cease and desist all actions and proceedings against all real-men with hands and legs forever more and to begin immediately, and without delay, the release of all real-men with hands and legs from the military prisons and other means of control, including, but not limited to, home confinement, parole and probation, in all matters not involving an injured real-man with hands and legs.

A Writ of Mandamus ordering and declaring that the Constitution for the United States of America c1819 is in full force, affect and effect.

A Writ of Mandamus ordering and declaring that the "Emergency banking Act" of 1933 HR 1491, and anything emanating therefrom, is null and void, from its inception, without full force, affect and effect, within the geographic, land mass boundaries, and on the soil, of West Virginia.

A Writ of Mandamus ordering and declaring persons, upon compliance to the aforementioned writs, that they are to complete their terms and/or commissions, and after that are barred from holding an office or position of trust and/or profit forever.

A Writ of Mandamus ordering any and all fictional entities to honor, accept, obey and facilitate the expatriation of the Signatories by way of removal from any and all databases utilized on the soil of West Virginia.

A Writ of Mandamus ordering any and all fictional entities to honor, accept, obey and facilitate the expatriation of any and all real-men with hands and legs who shall present and give notice to the STATE OF WEST VIRGINIA by and through any of its agents.

A Writ of Mandamus ordering the DMV to provide Diplomat Identification papers and Diplomat plates for all real-men with hands and legs who shall notice their expatriation for a minimal fee.

A Writ of Mandamus ordering full, absolute and unconditional settlement and closure of purported case # 11-F-101 and an expunging of the entire record thereof.

A Writ of Mandamus ordering a full and complete refund of any and all monies paid for HOME CONFINEMENT to the WOOD COUNTY SHERIFF'S OFFICE.

As the Plaintiffs are required to be our brothers' keeper, we are in fact demanding and ordering, for the fraud perpetrated daily, and as fraud has no time limitation, that the corporate, military and unlawful purported COURTS cease and desist any and all business and immediately release all real-men with hands and legs who have caused no harm to another real-man with hands and legs as ordained by the Original Contracts. Check out the facts affirmed by silence in all previous filings to certify these aforementioned facts.

The defendants claim the Affirmed Complaint falls well short of standards for relief yet offer no substantial facts to support their childish gibberish. Further, the defendants claim our Affirmed Complaint is without merit and that would be true if we had actually demanded and prayed for the ignorant ramblings they rewrote for us without authority and permission. Further, the Plaintiffs do not care, nor are we obliged in any way, to adhere to what a group of military and corporate persons said in 1969 as the defendants have failed to prove applicability.

Regardless, let us take a closer look at what the defendants purport:

Point 1 - A legal right to relief sought. We have every right to expect and enforce our purported public servants and public trustees to adhere to their employment contract. Point 1 is hereby confirmed to exist without doubt.

Point 2 - A legal duty of the defendant to adhere to his employment contract. We have every right to expect and enforce our purported public servants and public trustees to adhere to their employment contract. Point 2 is hereby confirmed to exist without doubt.

Point 3 - The absence of remedy. We attempted a peaceful petition and received no response simply asking for our purported public servants and public trustees to adhere to their employment contract. Point 3 is hereby confirmed to exist without doubt.

We, the Plaintiffs, gave six pages of authorities called maxims, time tested self-evident truths, and cited defendant's case law, code, rules and regulations. We cannot help it if there is no defense to the Facts and Self-Evident Truths asset forth by the Plaintiffs which the defendants can latch onto and win. Maxims have been tested by hundreds and thousands of years. That is true authority. The Plaintiffs are confused as to what philosophical statements to which the defendants refer. The legal duty of the defendants will be stated again in easy to comprehend common English language. The defendants entered an employment contract and have failed miserably to honor the terms of the Original Contracts. This is perfectly clear for those with eyes to see and ears to hear!

The Plaintiffs do demand a writ of prohibition, as the Plaintiffs are our brothers' keeper and on behalf of the King of All Kings, hence the *qui tam pro domino rege quam pro se ipso in hac parte sequitur*, or in modern doublespeak private attorney general. As one of the Plaintiffs has actually been harmed for years by the purported COURTS in operation and conducting business on the soil of West Virginia, it may not be dismissed as frivolous as the defendants state, which is defined as having no sound basis. Through sound basis and supported by the applicable items contained within all filings by the Plaintiffs, the fraud that has been laid forth quite clearly and plainly.

Fraud is evidenced by efforts to transform real-men with hands and legs into dead entities and created fictions via pro se assignment. As creations, these fictions are under the control of their creator. This purported COURT must and has jurisdiction over all creatures of the mind, fictions of law et cetera in operation and conducting business on the soil of

TDHD

West Virginia and any argument to the contrary only solidifies the Plaintiffs viewpoint of the illegitimacy of the purported corporate structure and system of fraud and modern day slavery.

On behalf of the King of all Kings and the real-men with hands and legs, we are the proper parties to seek remedy, relief, settlement, and closure at this moment in time and history. If this purported COURT has no jurisdiction or purported sovereignty over all creatures of the mind on the geographic land mass of West Virginia, then it has no authority, nor do the purported corporate COURTS under it, to interface and imprison real-men with hands and legs. The Original Complaint and Demand is nothing but facts and self-evident truths showing all purported courts and private for profit subcontractors providing government services and purporting to be lawful government have exceeded their scope, jurisdiction, and authority and in fact have no contractual basis to exist and operate on the soil of West Virginia at any place or at any time. The defendants show absolute defiance of the Original Contracts.

This entire purported RESPONSE is not sworn to or affirmed as true, correct, and complete, the whole truth and nothing but the truth under full liability and complete transparency. As such it has no standing or authority as he who risks the most wins. Furthermore, as the RESPONSE is not page numbered, the Plaintiffs have no idea as to whether eight pages is the entire filing or are they attempting to hide more of the filing to gain an unfair advantage and further the fraud.

The purported CERTIFICATE OF SERVICE as certified by purported counsel and foreign agents was mailed on the 2nd day of July, 2015 yet the envelope was postage meter dated stamped as mailed on the July 1, 2015. That is a clear violation of USPS Domestic Mail Manual P030 9.13 and 10.1 and further evidence of placing a FRAUD before the purported COURT. That specific act would at minimum show the furthering of the fraud currently at issue. How is it that the addresses are improper in accordance with what the Plaintiffs submitted in the Original Complaint and Demand? Astonishingly, pro se was added, a flagrant attempt to magically transform the Plaintiffs into a fictional entity! Additionally, the name of the state was not properly written. This is evidence of fraud, and a further attempt to magically transport the Plaintiffs to a fictional venue. There was also two standings and capacities portrayed on the envelope itself. More evidence of mail fraud. When does the criminality and furthering of a fraud already exposed end?

In reference to purported ORDER dated 25th day of August, 2015

Case No.15-0491

State of "West Virginia"

On the fifteenth day of September, in the Year of our Lord two thousand fifteen.

The ORDER made and entered on the 25th day of August, 2015 is, by these Presents, under full liability and complete transparency, hereby Refused for Cause, Without Dishonor based upon the following statements of absolute truth and facts, self-evident and otherwise, and the illegality and unlawfulness of such purported ORDER, to wit:

The attempt by the WEST VIRGINIA SUPREME COURT OF APPEALS a.k.a. Supreme Court of Appeals, and agents thereof, to fraudulently, willfully and intentionally change, alter and refuse the Complaint and Demand, standings, capacities, jurisdiction, venue and law form as dictated by the Sovereign Authority and Will of real-men with hands and legs is Refused for Cause, Without Dishonor, and the purported ORDER is hereby ORDERED removed from the non-existent public and private case file, public record and publication immediately even though it no longer exists in or at law. The purported and now non-existent COURT, and now defendant, is appearing to attempt to fraudulently overcome the amended complaint and thereby furthering, aiding and abetting the crimes set forth plainly and clearly. Any delay or interference by any entity is aiding, abetting and furthering any and all violations and breaches. Each and every day of lawlessness and Constitutional crisis is causing extreme harm and hardship to real-men with hands and legs.

The Honorable Gene Stalnaker, a real-man with hands and legs, under full liability and complete transparency, does by these Presents, correct the now non-existent public and private case file, public record and publication. Failure to do so is an admission by the non-existent WEST VIRGINIA SUPREME COURT OF APPEALS, and agents thereof, of aiding, abetting and furthering of any and all violations and breaches of the non-existent Original Contracts.

Furthermore, the Signatory asserts, avers, affirms and attests, under full liability and complete transparency, the following as to the aforementioned purported ORDER, to wit:

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny that I can visit, see and/or recognize the imaginary, creature of the mind, and fiction of law STATE OF WEST VIRGINIA and any and all letter and capitalization variations.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny the SUPREME COURT OF APPEALS OF WEST VIRGINIA can also operate as Supreme Court of Appeals and its various standings and capacities, as it would be perpetrating fraud, breach of Original Contract, and aiding and abetting, et cetera in attempting to operate as more than one entity at a time without lawful authority to do the same.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby strike State of West Virginia ex rel. before my parental given name and restate the original description in its entirety, and incorporate herein, as if set forth in full. Therefore it is ORDERED that on this it be corrected and reflected as follows, to wit:

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do accept the designation and ruling by the COURT that defendant Patrick Morrissey a.k.a. PATRICK MORRISEY is an Esquire, a Title Of Nobility, and is in fact and in law, at law or otherwise, a foreign agent of a foreign power and do hereby make final demand full criminal charges be immediately sworn out and implemented without delay.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I am pro se as I do not have the ability to magically re-present myself. I am proceeding by, and under the authority of, Divine Visitation in propria persona sui juris.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I petitioned this now non-existent COURT. I submitted an affirmed complaint and demand. Therefore it is ORDERED that on this, it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I simply prayed for, as I prayed for and demanded. Therefore it is ORDERED that on this it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I prayed for and demanded a single writ of mandamus, as I prayed for and demanded multiple writs of mandamus and writs of prohibition. Therefore it is ORDERED that on this it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny I demanded those same writs to be directed at only the stated defendants in the purported ORDER as the same did not include the unknowns. Therefore it is ORDERED that on this it be corrected and reflected as aforementioned.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby declare when there is no rule of law and strict adherence to the Original Contract there can be no rules, authority, standing or jurisdiction. Justice, Truth, Relief, Remedy and Recourse demand and require immediate, without delay or interference, judgment and action to right the wrongs, infractions, injuries, breaches and other crimes committed daily under the cloak of pretended and non-existent authority and outright violence. Further, this matter as set forth has been ripe and mature for adjudication for decades and will be handled and settled now, not later, and any legal wrangling will be taken, and utilized, as further admissions of guilt by all defendants, known and unknown, and any entities attempting to aid and abet the same.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do not understand what a true copy is. Further, I do not see an actual signature by another real-man with hands and legs, under full liability and complete transparency, so I do hereby deny this purported ORDER has any validity whatsoever, in law, at law or otherwise.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby deny the purported seal as a simple image decrees any lawful authority whatsoever. Further, it has WEST VIRGINIA and that makes four different capacities and standings all on one page. Furthermore, I do hereby deny any of the four have lawful standing, capacity and/or standing in law, at law or otherwise.

I, the Signatory, a real-man with hands and legs, under full liability and complete transparency, do hereby declare I shall Refuse for Cause, Without Dishonor all mailings by any entity that is not properly addressed to myself as aforementioned. Any deviation therefrom shall be returned. The presumption going forward shall be that there was no response or mailing at all and that it was also an attempt to magically transform or transport myself into some

imaginary, creature of the mind and fiction of law capacity, standing, jurisdiction, venue and law form in an attempt to hinder the very things being adjudicated.

Lastly, as the defendants have all defaulted and dishonored themselves, years ago, and now presently, with multiple opportunities to cure, it is hereby declared, proclaimed, published and decreed, under full liability and complete transparency, that the entire corporate, military, ecclesiastical and purported government structure operating and conducting business on the now geographic land mass comprised of Sovereign Soil commonly referred to as West Virginia is now conquered by, and under the authority and control of, the last real-men with hands and legs standing, the Honorable Plaintiffs and Signatories.

All words, letter combinations and intent shall be as defined, construed and interpreted by the Signatory.

A true, accurate and complete copy, facsimile or digital scan is legally and lawfully declared to be an original.

Proceeding in propria persona, sui juris by Divine Visitation and Authority; with all rights, privileges, freedoms, immunities, capacities and standing claimed, reserved, and exercised; without prejudice; without recourse; non-transferable.

By the Autograph and Seal affixed below, under full liability and complete transparency, I,
Gene Stahaker do Declare, Proclaim, Aver, Attest and Affirm that the foregoing is true, accurate and complete, the truth, the whole and nothing but the truth to the best of my knowledge and ability, so help me God.

commit criminal offenses of all kinds and nature even after having been informed of the same years ago. As such, intent is no longer in question or in doubt. Further, the defendants were for four years afforded any and all opportunities and forgiveness for simple, yet effective, corrections. Notice of the remedy and any and all actions shall be implemented and effectuated at the time of the Plaintiffs' choosing.
