Bill in Equity for Specific Performance of a Contract

Solely for the purposes of this Bill, under, and out of, the authority of absolute necessity, I will hypothetically assert and aver that I am a Lawful Citizen for the United States of America, and not an enemy thereof; Further, I claim, accept, acknowledge, declare, possess and utilize unalienable Creator granted rights, privileges, freedoms and immunities at all places and all times within Creation, without limitation; Further, I assert and aver that I accept, claim and acknowledge the Constitution of West Virginia and the Constitution for the United States of America 1819, for my benefit, use and enjoyment; Further, I assert, declare and aver that I am the Real-Party-in-Interest, Holder-in-Due-Course, Secured Party, Grantor, Bailor, Administrator, Creditor, Custodian, Beneficiary to, and for, any and all alleged political and other powers administered by legitimate and lawful governments constructed and effectuated by real-men including, but not limited to, services and goods providers in the nature of government, trusts, systems, networks, regimes, hierarchies and any and all other limits of any nature, kind and construction; I hereby knowingly, willingly, intelligently and intentionally cancel and correct all presumptions and assumptions to the contrary; Further, as a purported Citizen for the United States of America, and not an enemy thereof, I assert and aver that I am a party to both the Constitution of West Virginia and the Constitution for the United States of America 1819, and therefore have proper standing, status, character, condition and capacity to sue out this Bill for Specific Performance of a Contract;

TDAH

Furthermore, as a party with proper standing, status, character, condition and capacity I can, and do hereby, assert, aver, claim, accept, acknowledge and enforce my contractual claim and right to the protection and enforcement of strict compliance and performance to the same, without further hinder or delay;

The defendants have agreed to, accepted and acknowledged the Original Contracts as passed and enacted by the People, by, under and pursuant to the intent of the People, by, under and pursuant to the Oaths taken and subscribed by the defendants;

At the time of Conquest and thereafter, any laws in force, affect and effect stay in place with full force, affect and effect until such time as the new authority repeals or alters the same; This Specific Bill in Equity has never been repealed or altered to this day;

If this purported government, the STATE OF WEST VIRGINIA and THE UNITED STATES OF AMERICA, exists and operates as mere fictions of law, by, under and pursuant to the Constitution of West Virginia and the Constitution for the United States of America 1819, then the same must absolutely comply to the explicit and limited written directives and authorities contained therein; Any action or inaction outside the explicitly written limits of the aforementioned Original Contracts would be ultra vires, thereby voiding and forfeiting, by an operation of law, the very same Contracts aka Constitutions, and the ability to maintain, enforce and/or claim certain standings, status, characters, conditions, capacities, authorities, jurisdictions, venues, law

forms and/or existence in Law, at Law and other wise ;
Because of the foregoing and that hereafter, I seek
immediate implementation and effectuation of this Bill in
Equity for Specific Performance of a Contract ;
There exists in the aforementioned Original Contracts no
provision(s) and/or clause(s) for any real-man or fiction of
law, allegedly formed by and/or operating under the same, to
deviate from, or violate any of the same ; In fact, Article VI
of the Constitution for the United States of America 1819 outlines
and authorizes the explicit and specific terms for
any and all public servants and/or public trustees,
quite clearly and succinctly, in order to maintain and
enforce their very limited scope of authorities and/or
procedures ;

Nowhere within the Original Contracts do the COUNTY
OF WOOD, STATE OF WEST VIRGINIA and/or THE
UNITED STATES OF AMERICA possess the contractual
right, privilege, standing, status, capacity, character, condition

 - The ACCUSED/DEFENDANT at any time as identified on any and all commercial instruments, documents, et cetera, are the corporate, artificial person, ens legis, as is being commercially charged and prosecuted within a civilly dead, corporate, military, commercial, imaginary Court;
 - The former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA are operating commercially, militarily and lawlessly outside the Constitution for the United States of America 1789, the Constitution of West Virginia and the Declaration of

- I have lived all of my life on earth under fraudulent, illegal and unlawful Emergency rule; further, my God-given freedoms, privileges, rights, immunities, et cetera and procedures protected, guaranteed and secured by the Constitution for the United States of America c1819 and the Declaration of Independence c1776 have been illegally and unlawfully abridged by so-called laws brought into force by imaginary and pre-conceived states of emergency, causing a gross fraud upon, among many other things, myself and other real-men Living Souls world-wide;
- THE UNITED STATES OF AMERICA went bankrupt in 1933 and was declared so by PRESIDENT ROOSEVELT by Executive Orders 6073, 6102, 6211 and 6260 on March 9th, 1933; The former STATE OF WEST VIRGINIA has aided and abetted the same;

See the Bank of the United States v Planters Bank of Georgia, 6 L. Ed. 9 wheat 244. therein, it appearing from the Pennhallow case (see #6) all foreign, military, commercial, corporate courts can only deal and interface with artificial persons, and from the time of the alleged bankruptcy, (see #8 above), the alleged and former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA took the BIRTH CERTIFICATES, not only for commercial purposes, but took the names therefrom, and created corporate entities, fictions and corporate persons, and without full disclosure to, or valid consent of, the real-men Living Souls for America and myself, created this, an artificial, corporate, entity/person/fiction for all commercial activities/transactions and maintained or required this corporate name to be used in all commercial matters within their imaginary boundaries; whereby this corporate name appears on drivers licenses, permits, licenses, bank accounts or transactions in capital letter

form or otherwise; And this corporate fiction's name appears on all commercial and other tickets, warrants, complaints, indictments, et cetera; As the artificial former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA can only interface with other artificial persons; Therein, myself, a private, sentient real-man Living Soul on the land is not the fictional entity named and/or identified on the commercial and other instruments, et cetera or otherwise, for the purposes of former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA to commercially charge me, but solely for the aforementioned to commercially charge the artificial corporate person in their artificial abstraction and imaginary jurisdiction, venue, courts, environment, et cetera, for the sole purpose of extracting revenue and taxes from the corporate entity; Without such full disclosure, the private, sentient real-man Living Soul Thomas David House of Deegan is not so named on any commercial instruments, any lawful contract or otherwise, but is coerced through the threat of violence and death that I am/was liable/attached to any/all acts, codes, laws, statutes, et cetera; And coerced, through the threat of violence and death, to believe that I am to pay a commercial fine, fee, tax or otherwise and/or go to jail and debtor's prison; And fraudulently and coercively being forced to believe I am a surety to/for the corporate entity, fiction, person, all without full disclosure, lawful and valid consent, and/or a meeting of the minds; It is therefore a fact that the former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA never had in personam, subject matter, territorial, civil, political jurisdiction over myself at any time and/or any place, and therein the need to create some device, trick, scheme,

con, fraud, et cetera to make me and the real-man Living Souls for America believe we are, and were, subject to the imaginary jurisdiction of any of the aforementioned artificial entities, courts, environments, venues, et cetera, these merely being private, corporate, military, commercial tribunals, acting as alleged courts to administer the bankruptcy/national emergency to further effect the taxing of the artificial persons for the extractions of vast sums of revenue for the exclusive benefit of the illegal, unlawful and civilly dead corporate, military, commercial entities, and their masters, the international moneychangers, in a continuous state of illegal and unlawful commercial, economic involuntary servitude;

- the former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA agree, stipulate and confess that any and all commercial and other instruments, documents, presentments, charges, indictments, et cetera, only initiated an action, and the same was/is filed against an artificial, corporate fiction/person within a fraudulent commercial scheme, game, fraud, trick, con and NOT upon myself or any other real-man Living Soul for America; therefore, myself and other real-men Living Souls have/had absolutely no liability/attachment to the former STATE OF WEST VIRGINIA and former THE UNITED STATES OF AMERICA;
