Mr. Hudok:

Correspondence received from you on January 18, 2019, does not raise any plausible jurisdiction of this Court and will not be filed. The jurisdiction of this Court is specifically circumscribed by West Virginia constitutional and statutory provisions. Additionally, the document does not begin to comply with the Rules of Appellate Procedure.

The document references case number 15-0491. That case was refused by order of the Court on August 25, 2015, ending this Court's jurisdiction.

Sincerely,

Edythe Nash Gaiser
Clerk of Court

In reference to document produced on January 23, 2019 by Edythe Nash Gaiser aka/dba EDYTHE NASH GAISER aka/dba alleged OFFICE OF THE CLERK aka/dba alleged WEST VIRGINIA SUPREME COURT est. 3/01/2014

The aforementioned Document is hereby Refused/Rejected for Cause, without Dishonor, without prejudice, without recourse, by Phillip Hudok being of plenary capacity, character, condition, standing, status and responsibility, sui juris, under full liability and complete transparency, for the following causes and reasons, without limitation, to wit:

It was not a correspondence in any nature, shape, cause or kind. It was 5 Writs of Right, by, under and through the authority of Article 3 section 2 of the Constitution for the United States of America c1819 aka the Supreme Law of the Land. Your voluntary commercial indenture aka Oath of Office requires and demands your absolute compliance thereto regardless of what any alleged JUSTICES, and inferior CONSTITUTION and/or statutes may say. Demand is hereby made for your Oath of Office and any and all bonds and insurances that may indemnify myself for any breach of your Oath of Office and the Constitution for the United States of America c1819.

The Jurisdiction of the alleged COURT is in question, as is its existence, and was a portion of the claims, facts and truths contained within the 5 Writs.

You, EDYTHE, as a mere CLERK, have no judicial authority whatsoever, nor can you make any judicial determinations, nor any findings of fact, nor any conclusions of Law. Your duty is to keep the record of the alleged COURT and possibly holder of the SEAL thereof.

The alleged CONSTITUTION of 1872 is in question, as is its existence, and was a portion of the claims, facts and truths contained within the 5 Writs.

The alleged STATUTES are in question, as are their existence, and was a portion of the claims, facts and truths contained within the 5 Writs.

The alleged RULES OF APPELLATE PROCEDURE are in question, as are their existence, by, under and pursuant the 2 previous statements.

The 5 Writs reference 5 alleged cases, not just one, as all are inter-related and part of an ongoing scheme to de-fraud the men of West Virginia.

The alleged case you specifically reference was amended in September of 2015 and the proof of such is the stamp of the Clerk contained thereon of which I possess an original. I have received no Notice pursuant to Due Process of any alleged ORDER by the alleged COURT at any time in August of 2015 or thereafter.

As I was there recently there, and contacted a representative of the ATTORNEY GENERAL concerning the same, and he contacted you as well, concerning the Fact that no record existed in your alleged OFFICE, it comes as a surprise that you have mysteriously found the same records I was seeking to see and obtain.

Because of the Foregoing, without Limitation, you are being Granted until February 1, 2019 to correct your mistakes and/or rectify your possible criminal actions before I would need to report the same to competent federal authorities by, under and pursuant to Misprision of Felony and/or Misprision of Treason as well as the aforementioned US CODE.

Govern yourself accordingly.
