The following conditions display the predicament.

Whereas: The Republican Party, when controlling congress and the presidency has never undone previous damage; is it sane to expect a political remedy by voting in the foreseeable future?

Whereas: The mainstream media lies, has no shame, doubles down and the perceived alternative, Fox, helped elect Biden; is it sane to expect a properly informed majority of people?

Whereas: The judicial system refused to hear any cases of obvious 2020 vote fraud; is it sane to depend on 9 unelected justices?

Whereas: The most important decision a country can make is to go to war; there have been more than a dozen unconstitutional wars since the 1950 kickoff of the Korean Police Action/War; is it sane to think the military industrial complex will police and constrain itself and not resort to false flags and wars?

Whereas: We don't have constitutional money and are headed for a cashless, government controlled, digital system; is it sane to think that a hijacked government wouldn't use the power of unlimited financial resources and the financial controls of an electronic system to control all buying and selling as prophesized?

Whereas: The government has succeeded in exercising ownership of people's bodies by mandating experimental medical mandates that violate Nuremburg Code; is it sane to think our government hasn't been hijacked and not enemy of the people?

Whereas: The government is operating a total surveillance system; is it sane to think that that this hijacked government is beyond using their spying for corruption and coercion to block true legislative, judicial, or executive remedy and relief. The fourth estate is also subject to the coercion?

Whereas: Immigration and border security are more than simple broken as the controlling oligarchy actually promotes violating the law; is it sane to believe border and associated crime will decrease and the once melting pot will not continue going to pot?

Whereas: The above is not an exaggeration; it is, and has been since the declaration of independence, the people's duty to throw off such tyranny.

In a nutshell, the people have turned to man, turning their backs on God as symbolically illustrated on the American quarter.

Consider...

"Thus saith the LORD; Cursed be the man that trusteth in man and makes flesh his arm..." (Jeremiah 17:5)

Healing is condition and outlined in 2nd Cor. 7:14.

"If my people, which are called by my name, shall <u>humble themselves</u>, and <u>pray</u>, and <u>seek my face</u>, and <u>turn from their wicked ways</u>; then will I hear from heaven, and will forgive their sin, and will heal their land."

God could, by a critical mass of 2nd Cor. 7:14 obedient people, be gracious and provide healing.

As Noah was tasked to build the Ark, it would be up to righteous people to boldly enact a biblically sound plan. Such plan, being legal, lawful, and biblically sound, has been established. It has been recognized and joined by many thousands of people (Opt-Ins):

It is simple, yet profound. In a meeting with the chief counsel, Kevin Carson, and legislative correspondent, Chris Sharer, for United States Senator Joe Manchin III, Kevin admitted that the contract was properly established and that Congress could provide the remedy and relief due via private side bill. He went on to say that Congress, will not act on it. There is not sufficient political pressure and he instead suggested a judicial remedy which I responded to be futile.

The Steps - There can be no freedom free of responsibility. It is your decision...

- 1. If not right with God, get right. Details are in His word.
- 2. Get in the battle.

To wrap one's head around a true solution (and the true problem for that matter) requires some unconditioned thought.

Once again, I plan to as evidenced below, utilize all available media platforms. Since its beginning in 2015, the dedicated website, http://www.hudok.info has chronicled all stages of the battle.

Due diligence requires one does one's homework. Below are some platforms where the "people's reset" has appeared in audio, video, & print format followed by a couple links from the extensive website.

Call To Decision Ministry, of which I am media producer, never shut down for or followed any COVID mandates. For spiritual, current events, and prophesy discernment, we provide live streams at https://livestream.com/accounts/11933679/ and archived studies plus other important productions at www.brighteon.com, channel "Phillip Hudok."

On June 1, 2022, a jury found Michael Sussmann, Hillary's attorney, not guilty. Trudeau's enacting tyrannical gun laws are being mirrored by Biden & Cabal. Monkey Pox or something else is likely in the wings to effect the November election. Covid has proven mass compliance. We cannot put our faith in man. Would simply electing Donald Trump justify God's healing as outlined in 2nd Cor. 7:14? Scripture is clear that all men are sinners and must confess their sins. As of 8/29/22 Donald Trump is still promoting COVID vaccination and boasting about his part in its production and promoting vaccine use despite all evidence to the contrary. He has also stated that he has never done anything to apologize for. Nothing trumps my spiritual discernment. I would like a large measure of trust in Trump and I showed evidence of President Trump and Pompeo apparently circumventing the deep state narrative regarding COVID: https://www.brighteon.com/50d12eca-9357-45d0-9206-626461e4ec76

Consider the Arbitration Award and related established contract, **J3:16fGsltwthghobS** (from <u>John 3:16 for God so loved the world...</u>) It is even more relevant than when it was established. Some claim to, but no one else has anything like this in hand. 2nd Corinthians 6:14 "unequally yoked..." is the essence of the award and contract. Think of it as "the people's reset."

<u>James 4:17</u> Therefore to him that knoweth to do good, and doeth it not, to him it is sin.

Ephesians 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

If you recognize and appreciate the legal, lawful, and righteously established means of establishing a people's reset instead of capitulating into the tyranny of the WEF great reset:

- 1. Examine the following list of brave individuals and organizations for communication. If others come to mind, I will add them to an updated list on www.hudok.info.
- 2. Many of these people and media platforms such as coasttocoastAM have done interviews. We will request updated coverage. The state of affairs is even more ominous.
- 3. Communicate, be it phone, email, snail mail, and utilize sheriff@hudok.com, which I will closely monitor and will post updates on www.hudok.info.
- 4. Contemplate Jeremiah 17:5, and 2nd Cor. 7:14(page 1), the two Scriptures above, and one final scripture that sums it all up...Isaiah 33:22 For the LORD is our judge, the LORD is our lawgiver, the LORD is our king; he will save us.

Sincerely, Phil Hudok

P.S. As the Constitution Party ballot accessed candidate, I lost in the U.S. Senate race in 2014, Governor of West Virginia race in 2016, and Sheriff of Randolph County race in 2020. The chance of a third party candidate succeeding is basically nil. That doesn't mean we can't win some battles, delay eventual world government, and inspire others to serve God and battle the dark side. My family and Call to Decision Ministry have had some profound successes against the police state, Real ID, mandatory vaccination and more. I was blessed when my youngest daughter successfully battled forced vaccinations almost a decade ago. She is an inspiration for all.
