

All men and women, under oath and/or accepting payment, at any level of any government are but mere trustees.
A trustee's duty and responsibility is to protect and maintain all assets, and to act as a fiduciary, of the Public Trust.
Our role as Beneficiary of the Public Trust is to supervise and enforce absolute Compliance as is our Right and Standing.
The executive trustees are in breach.
The legislative trustees are in breach.
The judicial trustees are in breach.
Breach requires complete Remedy.

For God and the Children

Self-Evident Truths

Life, liberty and property do not exist because men have made laws. On the contrary, it was the fact that life, liberty and property existed beforehand that caused men to make laws in the first place.

Each of us have a natural right, from God, to defend his person, liberty, and his property.

It is not true that the legislator has absolute power over our persons and property. The existence of persons and property preceded the existence of the legislator, and his function is only to guarantee their safety.

Life, faculties, production – in other words, individuality, liberty and property – this is man. And in spite of the cunning of artful political leaders, these three gifts from God precede all human legislation, and are superior to it.

Whereas, all trustees nation-wide have, and do continue, to breach duties and responsibilities.
