

First Amendment Petition for a Redress of Grievances and Breach of Contract

In the Declaration of Independence our Forefathers outlined a list of breaches of the Living Souls' Contract and various Crimes against God and Humanity. They, too, wished a Peaceful Solution to the problems of the day. This is Our Generation's Final Attempt for a Peaceful Solution. Take Heed and Mark Our Words for ALL the Universe to rely upon.

1. Using Legalese and Wordplay, otherwise known as Fraud, to work their way around the Intent and Factuality of We the Living Souls' Sovereign Authority, Enabling Document and Contractual Terms to commit Fraudulent Financial and Terroristic Crimes against Ourselves and Our Fellow Brothers and Sisters.
2. Outright, Continuous and Flagrant Breaches of the Original Contract by our so called representatives who are violating their Duties, Obligations and Responsibilities as Public Servants and Public Trustees.
3. Aiding and Abetting of Foreign Agents by Our Public Servants and Public Trustees to allow International Money Changers, and their Agents, to Infiltrate, Destroy, Rape and Pillage, at will, under Threat of Unlawful Imprisonment and/or Death.
4. The Aided and Abetted Kidnapping of Our Children under various fraudulent and for profit commercial schemes.
5. The Aiding and Furthering of military tribunals to utilize foreign jurisdictions in Absolute Contempt and Breach of the Original Contract in collusion with foreign powers.
6. The Aiding and Furthering of the Unlawful Legislating from the bench of military judges and military jurisdiction in Absolute Defiance and Breach in furtherance of a Fraudulent Commercial Scheme.
7. Placing Our jails and prisons under the control and authority of military tribunals, and the judges thereof, in furtherance of a fraudulent commercial scheme.
8. Giving fictional entities endless authority and legal protection to rape and pillage Our Land, Environment and Fellow Brothers and Sisters.
9. The Breaching of Contractual Oaths to support, uphold and defend that which permitted Certain and Expressed Authorities for the Securing and Protection of our Rights, Privileges, Freedoms, Immunities and Properties so Granted and Authored by God.
10. Creating and blending of jurisdictions not expressly permitted by Our Original Contract to perpetrate Fraudulent and Violent Interactions.
11. The Swearing and Affirming of False Oaths to attempt to legally evade the Public Servants' and Public Trustees' Contractual Duties, Obligations and Responsibilities.
12. Unlawfully turning Our State over to, and under the authority of, a private, international body not contemplated, nor beholden, to Our Original Contract who are presently operating as the UNITED STATES and UNITED NATIONS.
13. The legislating of so-called crimes not Expressly Permitted by Our Original Contract.
14. Unlawful and Violent Intrusions into the Personal Affairs and Dealings of We the Living Souls' Lives as we Pursue Our Lives, Liberties and Pursuit of Happiness as Authorized by Our Only authority, the Almighty Author of All.

*Immediate and Absolute Remedies Sought and
DEMANDED are as Follows:*

The Immediate and Unconditional Public Affirmations, under Penalty of Breach of Contract, Perjury, Treason and Sedition, by Any and All Public Servants and Public Trustees, regardless of title, position and office, from the lowest to the highest, to Uphold, Support and Defend the Original Contract Authorized by the Living Souls known as the Constitution of South Dakota (earliest version) ratified by the people from the first day of October in the Year of Our Lord one thousand eight hundred eighty nine (1889), and, in addition to the aforementioned, to Uphold, Support and Defend Our Unlimited and Inalienable Rights, Privileges, Freedoms, Immunities and Properties as Granted and Authored by the Almighty Author of All, without Exceptions and Conditions.
